Hello Everyone

The committee and I are very excited to see you at NBAD 33rd Annual Team Tournament. We are setting our foot in history books since its first time that NBAD tournament is held in western USA. Some of you may drive 1 hour, 9 hours or even 30 hours to participate, I truly welcome you.

CDBC have come in a long way, six years since the founding. The sole purpose of the club is hosting various tournaments, both local and national levels. CDBC is affiliated with NBAD since January 2002 and has about 40 members throughout the state as well as Nevada and Colorado. California bass enthusiasm have exploded in the last few years, thanks to the combined efforts from all three clubs, Northern California Angling and Camping Club of the Deaf, Sacramento Valley Angling and Camping Club of the Deaf and of course, CDBC along with Deaf Anglers organization. Deaf Anglers was spawned from CalBass and maintains the Participant Performance Points system, known as PPP.

CDBC members traveled to almost everywhere in California, including Don Pedro Lake, the Delta, Silverwood Lake, Perris Lake, Casitas Lake and Lake Castaic. CDBC practices catch and release philosophy to maintain the bass conservation

Now, you are at the lake that is known as "Bass Capital of the West", Clear Lake. It is known for many 5 pounder largemouth bass. The 4 day record by a bass pro person last year is 122 pounds, this makes 6 pound average!

I am excited to serve you as NBAD Vice President and work with the board for more improvements for years to come.

Make sure you visit NBAD web site, www.nbad.org, which is recently revamped. More packed information! You wander over to CDBC web site, www.deafbass.org, which has many photo and video galleries of our past local tournaments.

As for kid fishing, it is CalBass speciality to provide derby, workshops and fun and CDBC is excited to have CalBass host the 25th anniversary of Junior NBAD.

BEST of LUCK to everyone and may your livewell be full.

N.B.A.D. Publicity Director Message from Patricia A Wilson, MO

Greeting to all NBAD members, friends and fans,

Welcome to our 33rd NBAD Team Tournament!

Regretfully, David Couch had to resign as Webmaster due to a personal reason. I really appreciated his work.

However, I am glad to inform you that we have a new Webmaster. His name is Eric Hamlow who is also very nice and pleasant. He is now working on the NBAD website. Most of the information will be updated in the website such as NBAD Constitution and Bylaws and history. I'm still not finished working on the history of NBAD.

If you know or find any information or something that is missing or mistaken. Please let me know and I will be more happy to add or correct the information.

I'm looking forward to seeing all of you there at Konocti Harbor Resort & Spa in Clear Lake, California.

Have fishing rod, will travel!"

Message from Co-chairperson, John "fishead" Duquin

Hello Everyone,

Welcome to our famous Clear Lake in Lake country. Bass fishing on Clear Lake is an outstanding experience. The scenery of the area is beautiful. Wildlife is abundant from Bald Eagles to river otters. Public access is very good with public launching facilities on all arms of the lake. The fishery is excellent...with a healthy population of Florida strain largemouth bass. The combination of bass fishing techniques on the beautiful Northern California lakes is a winner, and no lake is better suited than Clear Lake---Anglers will enjoy testing their luck on Clear Lake, known as the "Bass Capital of the West."

Clear Lake is the largest natural freshwater lake within California and possibly the oldest lake in North America.

It is my pleasure to give you all anglers, families and friends a warm welcome our National Bass Association of the Deaf's 33rd Annual Bass Team Tournament and Junior NBAD's Silver 25th Anniversary on June 7-12, 2008, for the first time in history of NBAD hosted in western USA for 32 years!!

My dream is coming true. NBAD is here!!

Good Luck to all deaf anglers to challenge National Bass Association of the Deaf's new records at Clear Lake.

Good Bless Bass'ning,

John "fishead" Duquin

DEAF ANGLERS – Participant Performance Points System

Have you heard about Deaf Anglers' participant performance points (PPP) system? PPP anglers get to vote on which three tournaments they want to compete in for points. Tournaments are hosted by California Deaf fishing clubs. The entry fee is \$40, with no membership fees. PPP system will not affect any clubs' tournaments. Clubs will follow their own rules, entry fees and awards. At the end of the tournament we will count points based on only PPP anglers. At the end of three tournaments, the highest points shall be the champion!

A few simple rules to follow:

- * The points system will be based on placement points per day.
- * One point apart for point system based on numbers of anglers, ie: 20 PPP anglers, first place starts with 20 points to last place only one point
- * Anglers who do not catch any fish will not receive any points.
- * Total weight will be based on decimal measurements and added to the point system.
- * If you win the lunker contest, it will be based on the weight of the lunker and it shall be rounded off, ie: the lunker fish is 3.28 lbs, the bonus point will be 3. If it is 3.50 lbs, bonus point will be 4.

Check www.deafanglers.org for the further information. Please feel free to contact me if you have any questions at leroyjr@calbass.org. I am really hoping that this system will spread to all Deaf Bass Clubs. It is really exciting competing throughout the year to see who will be the final champion based on all tournaments instead of one champion per tournament.

Sincerely,
 LeRoy Boren, Jr.
 President of Deaf Anglers, Inc.
