Welcome to 36th Annual National Bass Association of the Deaf Team Tournament at Sam Rayburn Country and Marina Resort in Lake Sam Rayburn, Texas.

I have good confidence in General Chairman, Juan Carriazles, Jr and Vice Chairman, Billy Buza, along with the committees for their hard work to host this special event, NBAD this year.

There is also plan event for Jr. NBAD, instead of one Jr.NBAD fishing tournament on Monday, there also will be enjoyable fun events on Tuesday, Wednesday and Thursday.

Please wear good clothing for this hot, humid weather. Also wear caps to keep from sun. Use SPF lotion to protect your skin.

Hope you enjoy our NBAD website with NBAD v-logs.

Good Luck and have a great FUN fishing!

To NBADERS,

A WARM WELCOME from your N.B.A.D. officers to 36th Annual Tournament here in Sam Rayburn Lake in TEXAS, it's host for their second times.

Our Applause to the **Houston Bass Club of the Deaf** and their hard work committees headed by Co-chairpersons Juan Carrizales and Billy Buza. They will make this tournament a very successful one.

It is a challenge for me being N.B.A.D. Vice-President with my second years. It will make the things easier for me to attend our N.B.A.D. rules together and to rewrite works in by-laws book to make it clarify better than past. I try to make it simpler and help the members understand clearly. It was complication to correct them. This year seem to get better and clear the rules as being understandable.. It will keep N.B.A.D. stronger than ever. I look forward to work together with all of you. I know that it would be no easy tasks to do.

KEEP us together in our future. We will need some changes in ahead of time for the better.

I do understand that this year will be bad economy but we must keep the challenges what we might face.

GOOD LUCK TO ALL OF YOU, FISHERMEN/WOMEN!

NBADER YOURS,

DENNIS BACON

Hope you have arrived at Sam Rayburn Reservoir safely with your bass boat. Welcome to 36th Annual National Bass Association of the Deaf. I am so thrilled to be in NBAD tournament again after visiting Kentucky last year and wanting to meet everyone. I am sure many of you feel the high excitement where everyone competes in national tournament for three days at Sam Rayburn. It is my first time at this lake in great state of Texas, waiting to catch many bass.

I have read several articles on the Internet about Sam Rayburn Reservoir. I find it fantastic with its unique features of the lake, such as grass lines, tree stumps, brush piles, etc and is touted as one of the premier largemouth bass fisheries in the South and home to many tournaments. This makes even more exciting!

I must say congratulations to the current host, Houston Bass Club of the Deaf, especially Juan Carrizales, Jr. and Billy Buzza with their wonderful committee who made the tournament possible. I like the idea of having a local club host a local tournament before the national tournament as a precursor. That local club is Texas Bass Club of the Deaf who will be hosting 45th state bass tournament. Looking forward to meet all of you!

Moreover, I would like to say congratulations to Jeffrey Willoughby and his club, Hearing Impaired Bass Anglers Society of St. Louis for last year as co-host with NBAD to make the tournament possible. The tournament at Lake Barkley would not be possible without these wonderful folks. My only complaint is the excessive humidity during summer in Kentucky.

I am glad that I serve as your NBAD treasurer as well as webmaster for the last two years. Make sure you swing by our web sites, www.nbad.org and NBAD Vlog Center at www.nbadvideo.tv.

Lastly, I am glad to hear that the next year tournament will be held at Lake of the Ozarks. Super, we are moving to different lakes each year, in which NABD should be moving around. There are some talks about having a future tournament in New York.

BEST of LUCK to everyone and may your live well be full. The photo below was taken on Kentucky Lake in 2009, in Ranger Z-21.

NBADly Yours,

Scott Hostetler

N.B.A.D Publicity Relations of 2011 Message from Patricia A. Wilson, MO

Greetings to all NBAD members, friends and fans.

Welcome to the 36th Annual National Bass Association of the Deaf Team Tournament at Lake Sam Rayburn! The Tournament is hosted at the Rayburn Country Resort in Lake Sam Rayburn, Texas.

NBAD would like to heartily welcome our co-host Houston Bass Club of the Deaf and their committees. We also hope you all enjoy this tournament throughout the week. I am excited to see old friends and to make new friends. It always feels like a family reunion, don't you think?

Unfortunately, I have not completed the "Over 100 lb Bass" information due to my overwhelming work schedule and personal reasons. I will do my best to complete them as soon as I can. I have most of the NBAD history but a lot of information is still missing. Also, please inform me of any obituaries (Name, State and What Month, Day and Year) that I didn't know about and need to add to "In Memory of NBAD". If you know or find any information that is missing or mistaken, please contact me at 314-222-0103 or email me at NBADPD03@aol.com.

I want to say GOOD LUCK to all fishermen, fisherwomen and Jr. NBAD participants.

"Have fishing rod, will travel!"

NBADfully yours,
Patricia A. Wilson

Veach Basin

N31 10.56, W94 12.54
 (N31.176000, W-94.209000)

Species: largemouth bass

Best Baits: soft plastic worms rigged wacky style, spinnerbaits; buzzbaits in white or chartreuse

Tips: Fish the coves, points, and pockets. Bass will be shallow around any type of vegetation. Spinnerbaits, buzzbaits, and topwaters should get their attention. Keep the boat in deeper water and work from the shoreline out. Early and late will be the most productive.

Sam Rayburn Bass Hot-Spots

Roadbed West of Buck Creek

N31 11.59998, W94 3.69
 (N31.193333, W-94.061500)

Species: largemouth bass

Best Baits: Watermelon lizard, Mardis Gra Zoom Fluke

Tips: This is a great big bass area for July. The fish will follow the roadbed to a 10-foot level with 25 feet of water nearby. Use a Carolina rig with 3/4-ounce sinker and 2 1/2-foot leader. Slowly drag the Carolina along the bottom.

Harvey Creek

N31 14.466, W94 16.26
 (N31.241100, W-94.271000)

Species: largemouth bass

Best Baits: red Rat-L-Traps, orange craw worms; spinnerbaits, buzzbaits, Senkos

Tips: Harvey Creek is loaded with hydrilla. Cast next to a channel or small ditch. Work the baits as slow as possible without getting hung up. Spinnerbaits in Glimmer Blue and white or chartreuse also work the same way. Craw worms in Watermelon Red and Green Pumpkin.
