Fishing Tip #1:

Don't fight or pull the fish in the opposite direction it's heading. Turn him by guiding his head.

Fishing Tip #2:

Even a professional fisherman loses some fish. Learn from your mistakes, but don't let them ruin your fishing trip.

Fishing Tip #3:

It is important to rely on a good set of polarized glasses to eliminate the glare coming off of the water, allowing yourself to see things you can't see with the naked eye, such as bedding bass. You could purchase some great-prices sunglasses at SpectacularEyes4U booth here.

To NBADERS,

A WARM WELCOME from your N.B.A.D. officers and H.I.B.A.S.S. to the 37th Annual Tournament, here in Lake of the Ozarks in Missouri. There are many beautiful views and lots of fun!

In sad time, you know that our former President Late Mack Wilson passed away in February. He had been running as the officers for long time. We thanked his leadership. It was amazing to see his wish in video and many donated the amounts in this fund. As now as we know it is over \$3,000.00. We want to see more donations to honor his wish for Jr. NBAD.

Our Applause to the **Hearing Impairment Bass Anglers Society of St. Louis (H.B.A.S.S.)** and their hard work committees headed by Co-chairpersons Jeffery Willoughby and Ken Stehle. They will make this tournament a very big successful one. Jeffery worked with me well on many details and plans.

Exciting time to see Jr. NBAD will have big event. We expect approx. over 60 kids to fish. So please help us out as much as we give them fun. We will appreciate your help to honor a Late Mack Wilson's name and wish.

As President now, I am overwhelmed in many ways and work with the people. I learn so much in short time. I am done with the new signs on our NBAD trailers. You will see it at a weigh-in area at Glazed Beach Ramp (PB #2 ramp). I hope you will enjoy your time with us. Have a safe trip back to your home. Bring your memories with you!

KEEP us together in our future. We will need some changes in ahead of time for the better.

GOOD LUCK TO ALL OF YOU, FISHERMEN/WOMEN!

DENNIS BACON

Dear Bass Anglers and Fans,

Get your tackle boxes, rods, and reels ready! It is time to channel your inner angler for the 37th Annual Team Tournament by National Bass Association of the Deaf.

We hope that you will join us in making this event outstanding and also lay the groundwork for years of future success and future fishermen. This tournament is going to be an amazing complement to our Lake of the Ozarks Tan-Tar-A resort in Osage Beach, Missouri.

We have a full agenda during the next five days, so please take couple minutes to read schedules and information in this packet. It includes our itinerary, map of Lake of the Ozarks, and local attractions/restaurants guide to have your days fun-filled.

We would like to take the opportunity to thank all of our sponsors and you, the participants who make it possible. You have the vision, the knowledge, and the experience to help National Bass Association of the Deaf pave our way into the future. And at last but not least, a big thank you, to the Hearing Impaired Bass Anglers Society of St. Louis (HIBASS) members for their dedication and hard work in putting this event together. We could not accomplish what we do without their support and leadership.

We are looking forward to meeting you all and we hope, if anything, we have "hooked" your attention and if we can do anything to make your stay more pleasant, please let us know. Thank you for joining our 37th Annual Team Tournament.

Sincerely,

Jeff Willoughby and Ken Stehle
