Founders
of
National Bass Association of the Deaf

Anthony Mowad, Louisiana
(deceased)

Robert E. Southwell, Texas

In ANTHONY MOWAD Memory

OF COURSE, we missed our excellent Co-Founder, ANTHONY MOWAD, Louisiana, who passed away in the hospital last October 28 with his age of 59. He was first person to work with his good BASS friend, Robert Southwell, Texas and they worked their first successful annual BASS fishing event for N.B.A.D. President while ANTHONY was N.B.A.D. Treasurer in 1976 til 1982 -- Vice-President in 1983. We NEVER forget about Mowad in his past years and we hope that his wife, Mary Rush Nowad; daughters, Julie, Toni and Beth, his mother, Mary; his brother, Dr. George Mowad;

his sisters, Moonlee and Rosalie can be COMFORTED by the good memories. They have and also from the N.B.A.D. fisherers. Anthony will be MISSED by all during our tournaments. GOD BLESS YOU ALL!

First Issue of NBAD TACKLE BOX Newsletter in 1978

NBAD Tackle Box

No. 1

EVERY THING IS IN IT OR IT ISN'T BASS NEWS

This is the first issue of the NBAD's own newsletter through which it is hoped to build up interest in the NBAD and promote attendance at both local and national BASS tournaments. The newsletter will be issued from time to time as enough news accumulates. Enough copies will be mailed to known BASS clubs so that each of their members can have a copy. New BASS clubs will be added to the mailing list as they become known. Because of the cost of postage, no copies will be mailed direct--BASS clubs will be asked to be responsible for circulating the newsletter.

We would like to have news items from the clubs. Local tournament results will be welcome. Send them in to Fred Murphy, Publicity Director, NBAD, 102 South Annie, Olathe, Kansas 66061.

Missouri's Table Rock Lake proved too tough a challenge to the entrants in the 3rd Annual National Bass Association of the Deaf Tournament June 13, 14, and 15, 1978. An imposing flotilla of 41 boats of all sizes and descriptions, each carrying two BASS fishermen, probed every cove and inlet of the big lake with only mediocre success. And, when the final totals were announced the first place winners had only 4 legal sized BASS (15 inches) weighing 8 lbs. 14 oz. to show for three days of hard work.

Despite the failure of the BASS to cooperate, everyone agreed that this was the best tournament ever. In addition to the 82 contestants, there were many families and friends who came to enjoy themselves while the tournament was in progress. A conservative estimate placed the total attendance around 250 in all. The site chosen for the 3rd Annual NBAD Tournament was in close proximity to many scenic and recreational spots and the non-contestants found plenty to do while the tournament entries were out on the lake "doing their thing".

Three nearby resorts were booked solid and there were some who camped out or lived in their mobile homes or vans.

This year's entry list was up from last year's. The first tournament (1976) attracted 62 entrants; the second (1977) 74; and the third (1978) upped the record to 82. Texas continued to send the most entrants, 40 in 1976; 42 in 1977; and 22 in 1978. Louisiana was second in 1976 and 1977, but slipped to third in 1978 as Kansas jumped to second after being third in 1976 (5) and 1977 (10). Kansas, the host, had 19 at the 1978 tournament.

The Olathe (Kansas) Bass Club of the Deaf was host for this tournament and under the direction of its tournament chairman, Tom Rodgers, handled every detail with finesse. In addition the Olathe club members made several items for permanent use which were donated to the NBAD for use in future tournaments. These included a 4' x 8' formica score board, a large sized NBAD emblem shield, a check out and in case, and a road directional sign with the NBAD emblem on it.

Representatives from 9 recognized bass clubs of the deaf met prior to the tournament to discuss certain rules. It was decided that check-out would be at 5:30 a.m. and check-in at 5 p.m. Copies of a proposed Constitution and By-Laws were handed out to the representatives to take home and discuss with their clubs. It is hoped that the Constitution and By-Laws can be ratified and made effective at the 1979 tournament.

At the end of the tournament an election of officers for 1978-1979 was held. All officers were re-elected. Medford Magill was re-elected president, Charles Marsh, Jr., vice-president, Charles Theel, secretary, Anthony Mowad, treasurer, and the new office of publicity director went to Fred Murphy.

NBAD FEVER

Oh! say, can you keenly sense the rapid-silent
approach of June
When so proudly we hailed at the close of our
latest NBAD tourney?
Whose hardy bassin' men and prize-winnin' bass
thro' the watery struggle,
O'er the bass infested waters we boated were
so overwhelming?
And the bass boats' roar, the choicest
artificals dancing about the waters,
Gave proof thro' these three contest days
that the thrill of bassin' was still there.
Oh! say, do these NBAD bass busters yet brave
The restless waters of the fightin' mossbacks
and the home of the lurkin' lunkers?

By Ken Clark, Jan, 1977

WHO'S TO PRAISE.....WHO'S TO SUPPORT?

We NBAD want not to praise our work, but also to praise the affiliated bass clubs and the members of Today's Anglers in the nation and assist them in finding the best answers for the NBAD and ever for the NBAD Junior to develop its fishing knowledgeable situation. Too often, these affiliated bass clubs have a need to make decisions with incomplete information and support.

The Friends of NBAD for support action is NOW working to improve that situation.

One Tool of improvement is _____.

■ We hope that above will result in some improvement.

We are talking about YOU to support NBAD.
