PUBLICITY DIRECTOR'S NOTE:

1994 has been a very busy year. I have been going through the records to verify our stats in the History Books and the Tackle Box Newsletters. I am finding some errors. I am also rewriting all the earlier weights of pounds/ounces to pounds in the hundredths place. The work is not complete yet so I am not 100 percent confident with the stats in this History Book. I should have all data checked and rewritten by the next printing of the History Book. The last History Book was printed two years ago, so I have added the 1992 and 1993 stats to the records in the previous book.

We are still missing home states on some participants. I have written to a few of the clubs asking for their help but have not received any response. I will use a lot of time at the NBAD tournament in Missouri to talk with the representatives and try to get more information.

Some of this information in the History Book is duplicated from the Tackle Box Newsletter. But a lot of information has not been included here. This book is mainly to keep records of all statistics from 1976 to the last tournament. So for more details on the yearly tournaments, the Tackle Box Newsletter will have that information. The Tackle Box Newsletter is published twice a year - once in the fall following the tournament and in the spring preceding the coming tournament. The History Book is published once a year but only in limited numbers unless there is a decision to publish a greater quantity and sell to those who are interested in purchasing it.

Any suggestions on how to improve our History Book will be appreciated. Also anyone reading this History Book and finding errors should please notify me so the records can be corrected. Write to me at PO Box 42, Noblesville, IN 46060.

NBADfully yours,
Elen Zook
