**Notes from your Publicity Director Elen Zook:**

This has been a very hard job of redoing all of the old weights (of pounds and ounces) and changing into pounds with decimals. I came across many errors in old History Books and Tackle Box issues.

Every time I go through my figures, I still find more errors, so this issue is not 100% perfect, but many errors have been changed, so this is the most correct issue that we have. Also with most of this data on computer disks, the job of upkeep will be much easier for anyone who follows me in this office.

Hope you enjoy reading. Any comments on how to improve the History Book are appreciated.

# First Issue of NBAD TACKLE BOX Newsletter in 1978

## NBAD Tackle Box

No. 1

EVERY THING IS IN IT OR IT ISN'T BASS NEWS

---

This is the first issue of the NBAD's own newsletter through which it is hoped to build up interest in the NBAD and promote attendance at both local and national BASS tournaments. The newsletter will be issued from time to time as enough news accumulates. Enough copies will be mailed to known BASS clubs so that each of their members can have a copy. New BASS clubs will be added to the mailing list as they become known. Because of the cost of postage, no copies will be mailed direct—BASS clubs will be asked to be responsible for circulating the newsletter.

We would like to have news items from the clubs. Local tournament results will be welcome. Send them in to Fred Murphy, Publicity Director, NBAD, 102 South Annie, Olathe, Kansas 66061.

Missouri's Table Rock Lake proved too tough a challenge to the entrants in the 3rd Annual National Bass Association of the Deaf Tournament June 13, 14, and 15, 1978. An imposing flotilla of 41 boats of all sizes and descriptions, each carrying two BASS fishermen, probed every cove and inlet of the big lake with only mediocre success. And, when the final totals were announced the first place winners had only 4 legal sized BASS (15 inches) weighing 8 lbs. 14 oz. to show for three days of hard work.

Despite the failure of the BASS to cooperate, everyone agreed that this was the best tournament ever. In addition to the 82 contestants, there were many families and friends who came to enjoy themselves while the tournament was in progress. A conservative estimate placed the total attendance around 250 in all. The site chosen for the 3rd Annual NBAD Tournament was in close proximity to many scenic and recreational spots and the non-contestants found plenty to do while the tournament entries were out on the lake "doing their thing".

Three nearby resorts were booked solid and there were some who camped out or lived in their mobile homes or vans.

This year's entry list was up from last year's. The first tournament (1976) attracted 62 entrants; the second (1977) 74; and the third (1978) upped the record to 82. Texas continued to send the most entrants, 40 in 1976; 42 in 1977; and 22 in 1978. Louisiana was second in 1976 and 1977, but slipped to third in 1978 as Kansas jumped to second after being third in 1976 (5) and 1977 (10). Kansas, the host, had 19 at the 1978 tournament.

The Olathe (Kansas) Bass Club of the Deaf was host for this tournament and under the direction of its tournament chairman, Tom Rodgers, handled every detail with finesse. In addition the Olathe club members made several items for permanent use which were donated to the NBAD for use in future tournaments. These included a 4' x 8' formica score board, a large sized NBAD emblem shield, a check out and in case, and a road directional sign with the NBAD emblem on it.

Representatives from 9 recognized bass clubs of the deaf met prior to the tournament to discuss certain rules. It was decided that check-out would be at 5:30 a.m. and check-in at 5 p.m. Copies of a proposed Constitution and By-Laws were handed out to the representatives to take home and discuss with their clubs. It is hoped that the Constitution and By-Laws can be ratified and made effective at the 1979 tournament.

At the end of the tournament an election of officers for 1978-1979 was held. All officers were re-elected. Medford Magill was re-elected president, Charles Marsh, Jr., vice-president, Charles Theel, secretary, Anthony Mowad, treasurer, and the new office of publicity director went to Fred Murphy.
