Meet the NBAD "GREATS"

These men have caught and released one hundred pounds of fish (more or less).
 Their support of NBAD has been tremendous. They have set high standards for our deaf anglers to follow.

Monday Lunker Contest

When this contest started, it was not part of NBAD Tournament and no records were kept in the NBAD Tacklebox. This was sponsored and controlled by the Host Club. I will publish what I have found on this contest. If any Host Club has records of the years I do not have records, please give to me or your new Publicity Director and it will be added to this record.

The Monday Lunker Contest is a morning contest usually ending around 11 a.m. or 12 noon and each angler brings only the biggest fish that he/she caught that morning.

Publicity Dir. Elen Rork Zook, IND

Publicity Director's Page

This History Book has been one of my favorite jobs as Publicity Director. However, so much time was spent on gathering data, that I did not do my other jobs, such as contacting companies or organizations to try to get their support for our tournament.

Most of this data is taken from the Tacklebox Newsletter. That is why it is so important to have that publication, and why it is so important to have all of the needed information in it. Several of the publications did not have individual tournament data, so I had to either go back to the tickets or gather what I could from previous issues of the Tacklebox and re-work the data. All of this had to be done before I could even begin gathering information for the History Book.

So, when doing the Tacklebox newsletter, we need:

Monday lunger contest results

Tuesday results - (including lunger)
(team and individual data)

Wednesday results-(including lunger)
(team and individual data)

Thursday results - (including lunger)
(team and individual data)

3 Days Final results-(including lunger)
(team and individual data)

Top Six Club winners:

Names of Sportsmanship winner and Bassmaster winner:

Jr. NBAD winners: (this was not analyzed and included in this book; it should be added, but I just did not have time to work with this.)

Also we need a list of all the participants, listed alphabetically and also listed by home states.

Also we need a list of all the rookies and who was named the "Rookie of the Year."

The Tacklebox should also include a list of the Hall of Fame Certificates that were given out at that tournament.

The History Book is supposed to be published every year for the Officer's Files. If this is done yearly, it would be much easier to carry over and keep current. If it is kept up yearly, that would make it easier to make more different kinds of reports and analysis of our data. This issue was limited because first of all, I tried to save pages, so I included only what I thought was most important to keep the issue with as few pages as I could. Secondly, I had to spend so much time to gather the data, that I did not get to make reports on some of our events, such as the Jr. NBAD. We have never included this in our History Book, but it should be there. You can probably think of some other things you would like to see included – if so, please let me know (or your next Publicity Director).

As I finish my work, I want to publicly thank my wonderful husband, Jack Zook, for his patience as I have spent evening after evening (and even whole days) working on this book. There are times I should have been with him or doing things around the house. So give him a pat on the back when you see him – and thank him for allowing me to get this work completed.

I also thank my brother, Alan Rork, for taking time to go through the rough draft of this book and helping me find errors.

I hope you enjoy this issue of the History Book.

Thanks for letting me serve as your Publicity Director.
