MESSAGE FROM NBAD PRESIDENT

Welcome to our 21st Annual Bass Tournament this week.

NBAD is grateful for Minnesota Deaf Anglers and Wisconsin Deaf Anglers under General Chairman Ralph Fuechtmann and his committees for hosting the finest event for all anglers, families, and fans from many different states for a fine vacation week and they are confident with their hard work for the successful NBAD. We hope to see more records set at the famous Truman Lake.

NBAD are very pleased to expanded the NBAD Board of directors and feel that our add two board members will add valuable input to the future direction.

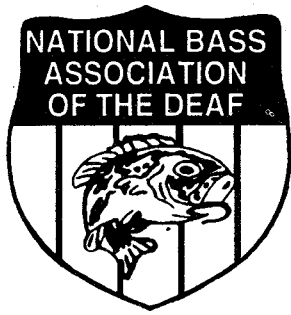

NBAD praised Elen Zook to contacted with some different cable networks and finally obtain the Bill Dance Show for only three times but we were disappointment. Vice President Carlos Holdridge is not give up and worked hard to contacted with other some different cable networks and finally have the In-fisherman Television with closed captioned.

Congratulation, Carlos.

Good luck to all deaf bass anglers who want the challenge of being recognized as the best Deaf Bass Angler in the nation. Have fun!

Message from Vice President

Greeting,

Hello to all past members, current members, and future members of the NBAD. The reason I said this is because I have been working on the Closed-Captioned fishing shows for the deaf and hard of hearing fishing community. There are about 25 outdoor shows on the national TV cables. It is possible to get funding for these shows if we voice our opinion loud enough where we can get the films and video media's' attention. We want CLOSED-CAPTIONED outdoor shows.

Of all the 25 shows I have written to only the In-Fisherman has responded to me. Marilyn Swift is the Electronic Media Coordinator for In-Fisherman. She has shown a very deep interest in CLOSED-CAPTIONED for the deaf and hard of hearing. She has acknowledge there are 21,000,000 deaf and hard of hearing people with one or more TV living in the USA. Let us hope there are more people like Marilyn.

We, the deaf and hard of hearing of the fishing community, need to start letters writing campaign to voice our concern about CLOSED-CAPTIONED, I will tell you more at the general meeting and through the NBAD Post Tournament Newsletter in July 1996.

It is my third year as your Vice President. I am enjoying it more as I get more involved in our NBAD issues. I do think NBAD has a very strong future and will always be involved with the fishing tournaments. At the same time NBAD can improve our lifestyle not only fishing but as a tax paying citizen. The reason I said tax paying citizen, is because there is some funding for CLOSED-CAPTIONED from the federal government. Surely, we do deserve some of this benefits for ourselves. So let us be more outspoken for more CLOSED-CAPTIONED for the outdoor shows.

Thank you very much for letting me be your Vice President.

Message from Publicity Director

Greeting to all of my NBAD members and friends,

On behalf of the National Bass Association of the Deaf, I would like to extend a warm welcome you all to our 21st Annual Tournament and your remaining with us will be very worthwhile. I wish each and everyone the best of luck and take home with the best memories like mine.

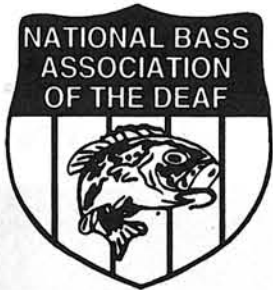

I would like to share my first memories with you when I attended NBAD tournament in 1991 with my fiancée, Ronnie Delvisco, I find the atmosphere with the people there really fascinating and wonderful, listening to some stories the people shared were "Missing, Losing, Almost Catching and CCCAATTCCHHIINNGG Bass." I told Ronnie there is not a chance for me to miss the every year NBAD tournament I want to attend. Here I will be in the 4th tournament. I hope I can keep up attending to every and each tournament when the year comes by.

I want to thank you all for voting me as a Publicity Director last summer. Really, I very much enjoy my work and still do. Look forward to see you ALL there at Truman Lake in Missouri.

"Having fishing rod . . . will travel."

Bassingly,

Bambi St. Romain.

Your Favorite Recipe

FISH CHOWDER

What do you do when all you catch is one fish?

Here is one of a number of ways to stretch your poor luck into a tasty meal or entree. By the way, this is also a neat recipe for making use of leftover fish you really don't want to throw away.

1/2 cup chopped onion
1/4 cup chopped green pepper
2 tablespoons butter
1 10-3/4 ounce can condensed tomato soup
1 14-1/2 ounce can evaporated milk
1 chicken bouillon cube, crushed
Dash of garlic powder
1 pound fresh fish, cooked or poached and flaked
(2 cups). Try bass, northern, or walleye.

In a 3 quart saucepan, cook onion and green pepper in butter until tender but not brown. Add soup, evaporated milk, bouillon cube and garlic powder. Stir in the cooked fish and heat thoroughly.
