Message from the President

Welcome to our 22nd Annual Bass Tournament this week.

NBAD is grateful for Columbus Deaf Anglers Club under General Chairman Ted "Bear" Bender and his committees for hosting this year's tournament. Our annual tournament is the finest event for all anglers, families, and fans from many different states for a memorable vacation week. We are confident that their hard will reap a successful NBAD. NBAD thanks CDAC for a generous contribution of prizes in the amount of \$7,100.00. We hope to have a record tournament this year at Lake Barkley.

In 1989 the Fourteenth Annual Bass Tournament was hosted by Wisconsin Deaf Sports Club under General Chairman George W. Evans at Lake Barkley and had attendance of 128 participants from 18 states, (32 rookies competing,) and a weigh-in of 674.65 pounds. Michael Branch and Gary Greenwood were Team Champions and caught a total weight of 40.02 pounds.

I appreciate being your President for the past 12 years and want to thank you for your vote. I would like to encourage any former President or new person to run for the President's office for 1997-1999.

Good luck to all deaf bass anglers who want the challenge of being recognized as the best Deaf Bass Angler in the nation. Have fun!

Message from the Vice President

Greetings and salutations to all NBAD members, Past, Present, and Future.

I want to share a few good words with Chairman Ted "Bear" Bender, and the members of Columbus Deaf Anglers Club (CDAC). It takes courage for any club to show a desire to host a NBAD tournament. I want to give my heart felt congratulate to CDAC for their effort in hosting a tournament. I know they are working hard. I want to congratulate to all past, current, and future clubs in hosting a tournament.

I want to tell you how much I really enjoy being your Vice President since 1993. It has been a good four years reward for me. I made new friends, created a data base for our members, collected names and address of key persons within the fishing and hunting shows on televisions, wrote newsletters to our affiliated members, established a strong communication, letter writing with our NBAD Representatives, and most of all, down to Earth small talk to our members.

NBAD does have a future. We are now getting more young people involved in our future tournament. It does take much planning and it can run as long as three or four years.

It is now time for new breed of young people to take over the responsible of running the daily affair of the NBAD. It is getting close to election time and I would love to remain as a Vice President as long as I can or until someone shows desire to be elected. If I am defeated I will graciously turnover all materials to my new Vice President.

Have a good fishing trip,

Carlos R. Holdridge

NBAD Vice President
