COMMONWEALTH of VIRGINIA
Office of the Governor

James S. Gilmore, III
Governor

Dear Friends:

On behalf of all Virginians, I welcome everyone participating in the National Bass Association for the Deaf's 25th anniversary bass fishing tournament at Lake Anna, Virginia. This fishing tournament has been a reminder to all Virginians of the abilities of all participants and sponsors to appreciate the many splendors of the Commonwealth's natural resources.

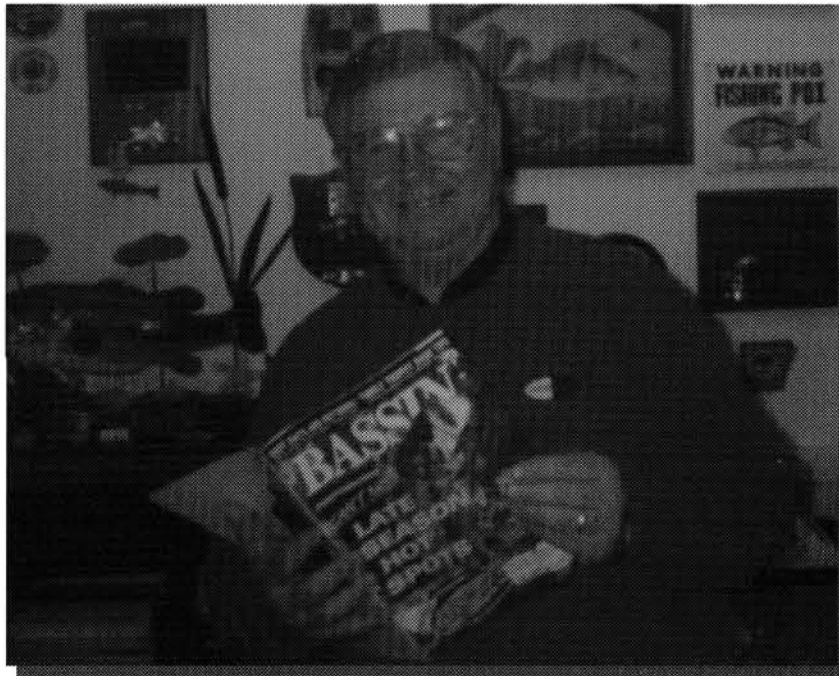

I commend the organizers for their hard work in planning this event. As a sportfishing enthusiast, I appreciate the enjoyment and reward that comes with fishing the beautiful and tranquil waters offered throughout our Commonwealth. I am pleased that Virginia was chosen to host this annual tournament for the deaf and hearing-impaired.

Best wishes for an exciting and enjoyable event.

Very truly yours,

A handwritten signature in dark ink, appearing to read "James S. Gilmore, III". The signature is fluid and cursive, written over a light-colored rectangular background.

James S. Gilmore, III
Governor of Virginia

13 June, 2000

Greetings and salutations:

On behalf of the NBAD Executive Board, it is my pleasure to welcome each and everyone of you, participants and fans to the 25th anniversary celebration of NBAD. This is truly a remarkable and exciting era in this Millennium for NBAD. Who, ever, in their wildest dreams ever thought NBAD would last this long and continue to prosper and grow? All of this began 25 years ago when the "seed" was first planted by Robert Southwell and the late Anthony Mowad. To these visionary men, we owe them a great deal of gratitude. We, also, should not forget the leaders and officers from the past who have guided NBAD throughout the years — to our 25th NBAD Silver Anniversary. We, also, should not forget the families and the many fans who have come from far and wide to watch and support us grow as an organization.

When you are at Lake Anna, be sure to stop and extend your heartiest thanks and appreciation to all the members of MarVa, who so graciously accepted the hostship for this 25th Silver Anniversary tournament and celebration. Be sure to thank

the marinas for their hospitality and assistance. No NBAD tournament is ever undertaken without leadership and we should take Bobby Seremeth's right hand and give it a vigorous handshake followed by our beloved NBAD salute.

"There are two things to aim at in life: to get what you want and , after that, to positively enjoy it."

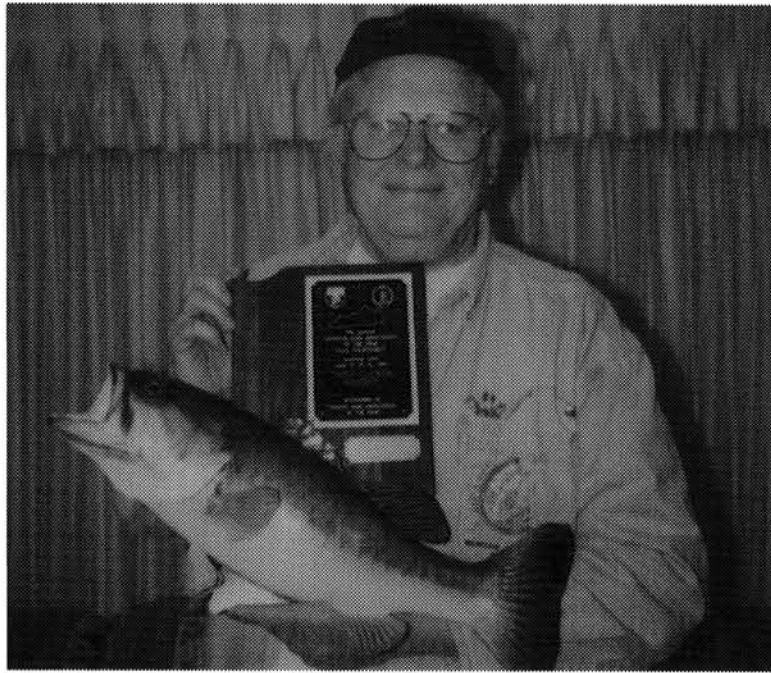

- Logan Pearsall

To the participants: catch the 'big un' and enjoy the victory of success.

To the fans: partake of Lake Anna and the nearby attractions and enjoy those memories for years to come.

Bassingly yours,

WAYNE C. MNICH
PRESIDENT

I am especially proud of this plaque with the lunker I caught back in 1984. It was a Wednesday Lunker. One of my small achievements. NBAD has made it possible for me to do this. Every tournament lake is a challenge. You never know what is around the point, a cove full of moss or laydowns or what is across the lake. It takes challenges to learn how to be a DeafBassmaster and that is what I am doing. I really do envy guys who win a lot of times but they deserve it because they worked long and hard for it and it was no accident they become excellent DeafBassmasters. They have my respect and for that I was able to learn and appreciate the tips from these top guys.

Challenge is a big word not many of us undertake. Let talk about Tournament Hosts over the last 24 years of NBAD tournaments. Each host has taken upon the challenge, a dare not to fail, of promoting a tournament for the DeafBassmasters. Making it a very successful tournament. If the Host was successful then we all enjoy the tournament.

MarVa took this challenge, a dare to make it the most successful 25th Annual tournament. It took them five years but they sweated, pulled various muscles, and some got sick just to make sure the smallest details is not overlooked. NBAD wish to thank the DeafBassmasters of Virginia and Maryland, for their challenge and a very successful tournament.

NBAD should be very thankful for all of our DeafBassmasters Challengers the last 24 years.

Carlos R. Holdridge
NBAD Vice President

On behalf of National Bass Association of the Deaf, I want to express my warmest greetings and salutations to MarVa Silent Bass Anglers, Inc for hosting "25th" Annual Tournament at Lake Anna. I am looking forward to meet old friends and making new friends as well. It is more like family reunion, share the works, help and encourage the others and have fun.

Lets us congrat and encourage MarVa Silent Bass Anglers, Inc for their hard work, preparing the tournament and host for everyone of us to attend with comfort and safe fishing.

Good luck and have a safe fishing trip!!!!!!

NBADfully,

Mack Wilson
NBAD SECRETARY

Welcome to our 25th Annual Bass Tournament this week.

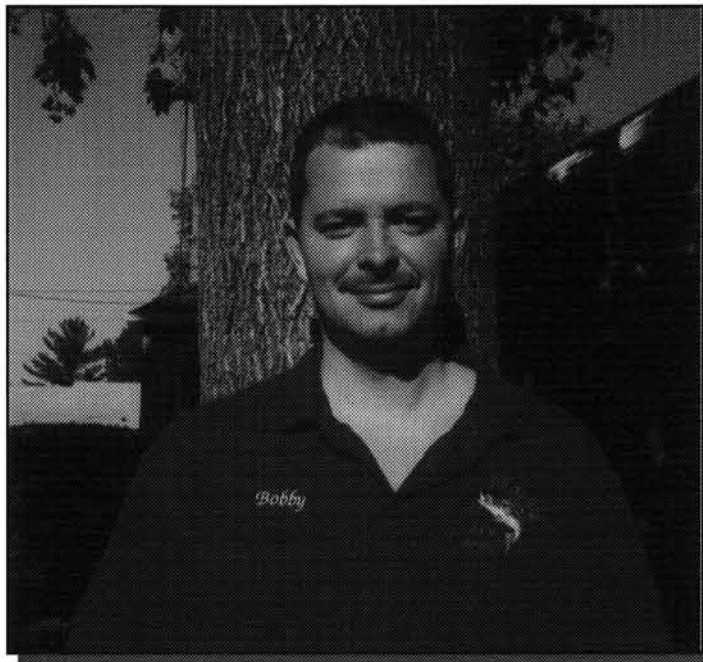

NBAD is grateful for your hosting tournament by MarVa Silent Bass Anglers, Inc. in Eastern States of United States under General Chairman Bobby Seremeth, Jr. and his committees on central Virginia's Lake Anna.

Thank MarVa for work hard for NBAD Silver Anniversary Team Tournament and biggest events.

Good Luck to all deaf bass anglers who want the challenge of being recognized as the best deaf bass angler in the nation. Have fun!

NBADfully,

Alan D. Rork
NBAD Treasurer

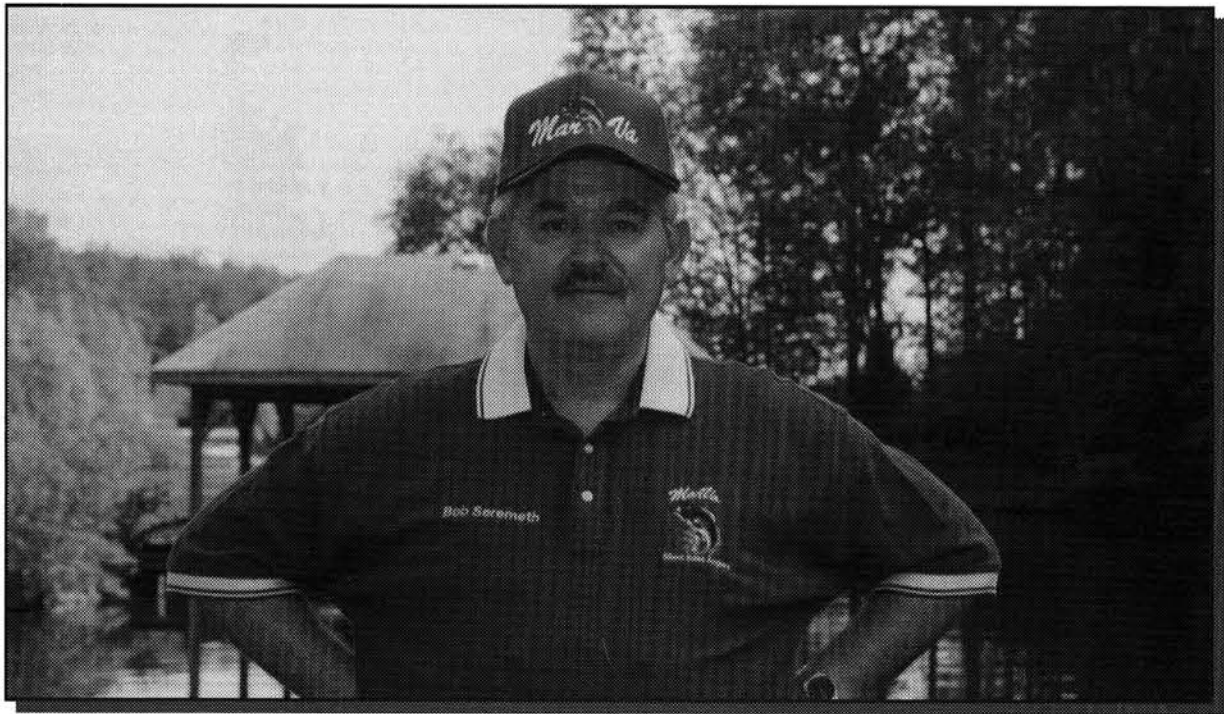

On the behalf of MARVA Silent Bass Anglers, Inc. we wholeheartly welcome you to Lake Anna, Virginia and the 25th annual fishing tournament. We have marked two essential and historical events for N.B.A.D. this year which are: 1) N.B.A.D. 's love for fishing for 25 years and 2) N.B.A.D.'s first farthest EAST fishing tournament at Lake Anna, Virginia. Lake Anna is considered to be the one of the most popular fishing place in the east. We are very fortunate to be able to fish at the most well liked lake, known to many professional bass anglers. I hope you, your family and friends will enjoy your stay here at Lake Anna and be part of the N.B.A.D.'s silver anniversary event.

I want to praise our MARVA committees who have put in long hours of hard work and enthusiasm to make this tournament a big success. I also want to thank our N.B.A.D. founders, the late Anthony Mowad and Robert Southwell for creating this wonderful organization and have faith in us to run this organization for 25 years. I look forward to attending many more N.B.A.D. tournaments in the future.

To the bass anglers, I wish you , each of you, the best of luck in catching the largest and challenging BASS ever! Represent excellent sportsmanship. To the families and friends, I thank you for coming and I hope your stay here will be the memorable one with many places to visit.

May the best team win!!

Bobby Seremeth, Jr.
N.B.A.D. 2000 Chairman

Dear bass anglers and fans,

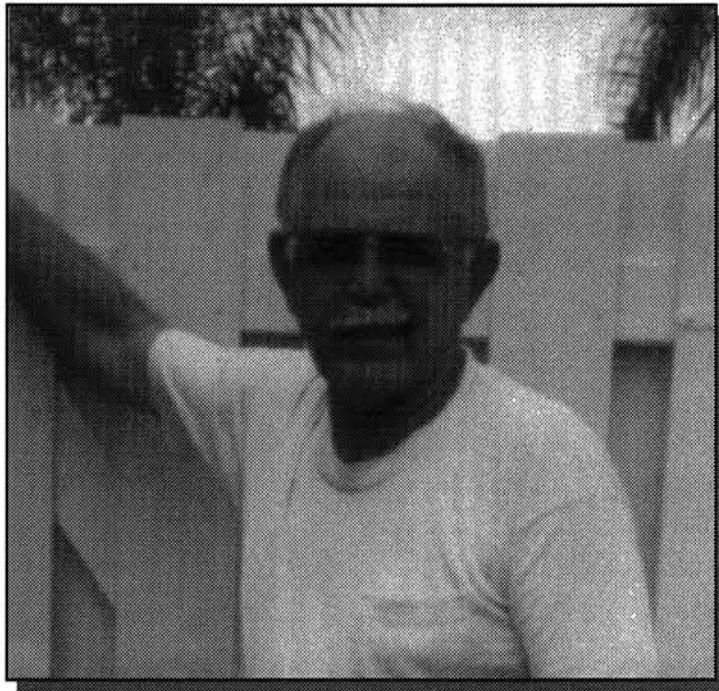

On behalf of members of MarVa Silent Bass Anglers, I wish to extend a hearty welcome to all participants and their families, volunteers and fans to National Bass Association of the Deaf's 25th Annual Team Tournament. Our committees have been hard at work to make your visit to Lake Anna a pleasant and memorable one. As you all may be aware of, this may be the northernmost tourney in NBAD's 25 years of rich history and for those of you who have come from afar and wide may you find fishing at Lake Anna an interesting and intriguing experience. I have a feeling that some of you will be lucky to latch onto Lake Anna's fabulous 5 pounders or over during the tournament. Don't say that you were not forewarned of this possibility.

In this changing world, things change almost on a daily basis that your enthusiasm and innovative input to the future course of NBAD will be needed to see that NBAD enjoy its next 25 years as it had with the past 25.

Best wishes to all of you and have FUN!!

Bassingly yours,

Bob Seremeth, Sr.
President,
MarVa Silent Bass Anglers

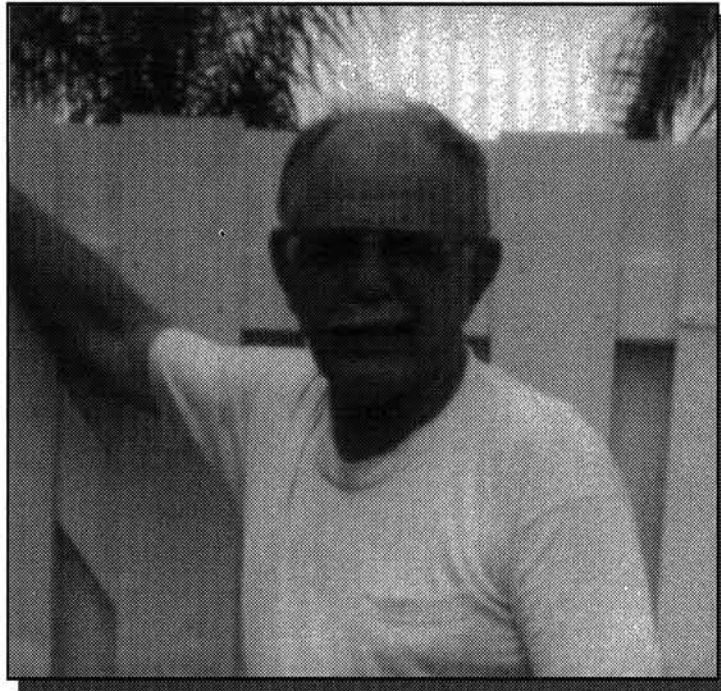

*Congratulations to the "host"
club—Mar Va and happy 25th
anniversary to NBAD!*

Good luck to all the anglers.

Robert Southwell

Founder,
National Bass Association of the Deaf

Dedication

*The members
of the
MarVa Silent Bass Anglers
proudly dedicates
this 25th anniversary program book
to*

Robert Southwell

*Because he is a co-founder of the N.B.A.D.
Because he has followed the past N.B.A.D.
tournaments with deep interest;
Because he is an outstanding fisherman;
Because he aptly symbolizes the ideal
deaf fisherman.*

About Lake Anna

Lake Anna was formed in 1972 when the North Anna River was dammed to form a cooling reservoir for the North Anna Nuclear Power Reactor operated by Virginia Power. The lake is actually comprised of two separate sections: a 3,400 acre impoundment that provides the water for the power plant's cooling requirements (much as the water in a radiator is used to cool a car engine), and a 9,600 acre "main lake" impoundment that is used to disperse the warmer water that results from the reactor cooling process. The smaller impoundment, known as the "hot side" by the locals, is accessible only to property owners. The larger lake, on which High Point Marina and the Lighthouse Inn are located, is a public facility open to all.

After the lake was formed in 1972, the Virginia Department of Game and Inland Fisheries (VDGIF) stocked it with more than 350,000 baby bass. Several years later, this initial stocking was augmented with 80,000 Florida-strain bass. The ongoing lake management program provided by VDGIF and the abundant population of baitfish such as threadfin shad, gizzard shad, and blueback herring, has resulted in Lake Anna becoming the premier bass lake in all of Virginia. In fact, Anna consistently produces more citation bass (8 lb or 22 ") each year than any other body of water in the state. During 1999, 73 citation bass were recorded by Lake Anna anglers. Also in 1999, Anna ranked 4th in the state for citation crappie with 26, an increase of 7 from the previous year. Because of the influence of the warm water coming from the "hot side", particularly on the lower end of the lake, nearly half of these citation fish were caught in the months of January, February, and March - a time when most other lakes are in near hibernation. The months of April, May and June can provide non-stop, heart pounding action. As a result of its much deserved reputation, Anna has become a "must" stop for most serious fisherman through-

out the region, and is a favorite on the local bass tournament schedules.

Lake Anna has also become one of the top landlocked Striped Bass lakes in the area. The stripers cannot naturally reproduce in the impoundment so VDGIF stocks approximately 200,000 fingerlings each year. This past year, 1997, provided a bumper crop for striper fisherman. 4-fish limits were not uncommon, with quality fish in the 12lb-18lb range a common occurrence at our scales. In fact, a new lake record striped bass was given up by Anna in 1997. 1998 looks to be every bit as promising for this popular fish.

While largemouth bass and stripers are the two main draws to Anna, it also has significant populations of many other species. Anna is well-known in the area as a mecca for crappie fisherman, with many of them taking strategic positions at bridge pilings and brush piles. Other panfish such as bluegill are abundant and there are also good populations of yellow perch, white perch and white bass. Fisherman fishing for bass or stripers in the Contrary Creek area will occasionally be startled to have their offering engulfed by a hard-hitting chain pickerel. The name "Lake Anna" will bring a smile to many knowing catfish fanciers. One of the better kept secrets on the Lake is the good population of walleye. Anglers fishing deeper structure for striped bass are surprised when the fish pulling on their line turns out to be a walleye instead of the expected striper.

Lake Anna also provides hours of enjoyment for recreational boaters, skiers, and others during the summer months. It's 250 miles of shoreline provides scenic views of natural woods, beautiful lake homes, and an abundance of wildlife. Its many coves provide an opportunity for a "lake lunch" or a relaxing swim.

THE EVENTS OF THE WEEK FROM JUNE 11TH - 15TH, 2000

JUNE 11TH, SUNDAY:

- 8 A.M. N.B.A.D. EXECUTIVE BOARD MEETING
AT BASS MEETING ROOM
- 1 P.M. TO 5 P.M. N.B.A.D. REGISTRATION AT TENT
- 7 P.M. COUNCIL OF REPRESENTATIVE MEETING AT TENT
