Antonina Wilson  
Missouri Deaf Bass Anglers, Inc.  
10223 St. Arsene Lane  
St. Ann, MO 63074

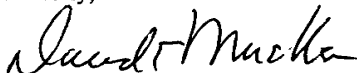

Dear Mr. Wilson

The City of Kimberling City is thrilled that the members of the Missouri Deaf Bass Anglers, Inc. will be sponsoring the 26<sup>th</sup> Annual National Association of the Deaf Team Tournament at Table Rock Lake in Kimberling City, Missouri on June 12-14, 2001.

As Mayor of Kimberling City, I want to take this opportunity to welcome the anglers and the tournament to Kimberling City. I have spent many hours on Table Rock Lake and know that you will find it a very pleasant experience. I know you will have a wonderful time if you take time to relax and enjoy the natural beauty of our hills and the lake.

Remember that a bad day spent fishing is still better than a good day at work.

Sincerely,

David E. Mueller  
Mayor

## *A Message From N.B.A.D. President*

First of all, I want to thank the members of the Missouri Deaf Bass Anglers for their enthusiasm and contributions to ensure that the 26th Annual NBAD Tournament will be held in spite of "tornado weather" that prevailed in previous months. My heartfelt gratitude goes to each and every one of this wonderful organization who exhibited "spirit d' corps" toward hosting this tournament. I know it was not an easy task and a lot of "backslapping" for a job well done should go to Joe Wilson, the Chairman, and his dedicated group of committee-workers.

As most of you have already heard, this has not been a "good year" for me. I do not want to use this segment of the greeting to elaborate on my trials and tribulations. I know the officers of NBAD had their share of "tears and sorrows" but as someone said; "Life goes on," and it is the same for our beloved NBAD.

I have suspended publication of the NBAD Tackle Box due to financial constraints and unless we "open our minds and open our hearts" and in a joint cooperative effort with a show on "unity" by linking our minds and hands together, we can make visions for a better future for NBAD come true. We must:

- a. Reorganize ...
- b. Redefine our administrative roles and duties ...
- c. Restructure our financial strategies ...
- d. Redevelop visions for the future of NBAD ...

This is my last term as President of the NBAD. It has been a very rewarding four years and I only wish I could stay a little longer to finish some of the plans I have proposed for NBAD. I started working on the idea of an NBAD Foundation last fall, which would assist us in various categories of endeavor. Your officers and Board members share one of my “dreams” and this “dream”. The creation of an NBAD Foundation would guarantee the financial stability of NBAD for future generations to come. No longer would a Host Club have to worry about raising money for an NBAD Tournament once a site has been approved. The Host Club would only be “hosting” the tournament because the Foundation would have the funding to provide for necessary tournament expenses as they occur. The Foundation would be governed by a Board of Trustees or Governors and would act independently of the NBAD administration but work in conjecture within the framework of the NBAD Constitution and By-Laws.

I hope your stay at Table Rock is a pleasant one and that as you depart for home—you will have lasting memories enshrined in your “memory file” of the great times had and the many friends met once again.

Bassingly yours,

Wayne C. Mnich  
President NBAD

## *A Message From N.B.A.D. Vice-President*

Greeting to my Friends,

Congrats are in order for the Missouri Deaf Bass Anglers. Table Rock Lake is a very popular lake. This is the third time NBAD will visit Table Rock Lake. I know the MDBA are hard at work to make our visit to the lake very pleasant and something to remember. The Wilson brothers and their wives and friends are hard at work to get ready for our tournament. Of course it is Joe Wilson, the chairman, who is in command and running the whole show. My congratulation goes to the whole MDBA crews for their hard work.

This is my last year as your Vice president, hopefully. I do not intend to run again as an officer of NBAD. I really did enjoy my time as a VP for NBAD. From West Point Lake, 1993 to Table Rock Lake, 2001. History will notice I served well for NBAD. Eight years is really a long time.

Maintaining and protecting the Constitution and the By-Laws is my most important duty. Just making sure everything is in order and the members and the officers follow the rules, which were voted into laws by previously COR meetings.

I do hope the new Vice President will take his energy and propel NBAD to the next level of Excellency.

Many friends come and go; still I met all of them and enjoy their friendship. I have known great folks in Alan Rork, Elen Zook, Dave Cole, Bambi St. Roman, Bobby Seremeth, John Coggins-Peckham, Mack Wilson, Medford Magill, Robert Southwell and Martian Miller and especially my old college friend Wayne Mnich. Of course I have met many chairmen and fishermen of past tournaments and enjoy them all.

This year at Table Rock Lake will be the 20th time I have participated the NBAD Tournament. If lady luck and my health hold up I will continue to follow the NBAD Trail for many year to come. I won a Tournament in 1988, Anthony Mowad Sportsmanship Award in 1990 and few other daily smaller plagues. The biggest prize still evades me, the Robert Southwell Bassmaster Award.

TGIF (Thank God I Fish)

## *A Message From N.B.A.D. Co-Founder*

Dear Fellow Anglers:

Greetings, and welcome to the 26th Annual National Bass Association of the Deaf Team Tournament! As one of the founders of N.B.A.D., along with the late Anthony Mowad, it is my honor to welcome you to Table Rock Lake. It has been with great pride that I have watched the N.B.A.D. grow and flourish through the years since 1976. I hope each and every one of you, whether contestant or fan, enjoys yourself at beautiful Table Rock Lake.

You are all an important part of our association. Good luck to you all!

Sincerely,
