GOVERNOR

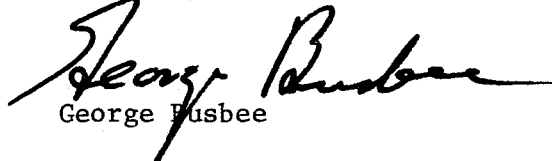

Dear Fellow Fishing Enthusiasts:

Welcome to the Seventh annual National Bass Association of the Deaf Team Tournament. For many of you, this is probably your first trip to the Southeast. I hope that you enjoy your stay to its fullest.

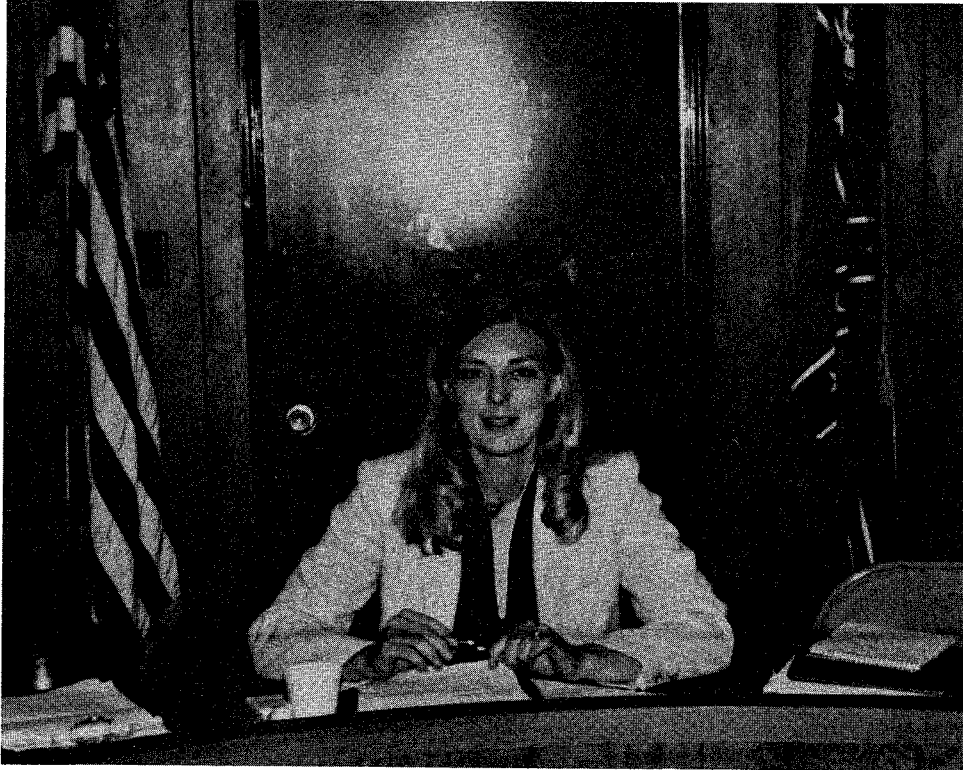

It is encouraging to see organizations like the National Bass Association of the Deaf. I appreciate people like you who do not let their handicaps limit their participation. Others should look to you as living proof that it is possible to get the most out of life despite limitations.

Once again, let me welcome you to the South and wish each of you good luck in the fishing tournament.

Sincerely,

George Busbee

GB:drb

The citizens of Cave Spring are very proud to know that Cave Spring Bass Club of the Deaf is hosting the National Bass Association of the Deaf, June 22-24, 1982, at Lake Eufaula, Alabama. We know this event will be one of the best fishing weeks ever held.

The members of CSBCD really worked very hard in preparing this event and we appreciate their talents and potential which has always been a part of life in Cave Spring.

The citizens of Cave Spring welcome each of you to the 7th National Bass Association of the Deaf.

May the best fisherman win.

Cave Spring Bass Club of the Deaf members want to congratulate these two fine men for establishing the National Bass Association of the Deaf.

We will give all our support to see the National Bass Association of the Deaf continue and grow.

Thanks a million

A MESSAGE FROM THE PRESIDENT

It is a real pleasure to extend my congratulations and support to the host club, Cave Spring Bass Club of the Deaf, in preparing the 7th Annual Bass Association of the Deaf Team Tournament.

I am confident that General Chairman Frank Osborne, Co-Chairman Johnny Scott, and their dependable committee have greatly helped in planning this prestigious event for the first time. There certainly will be fond memories when it is over and the realization that it is not a difficult task to do with good management and hard work.

The objectives of this annual event are to foster and develop good sportsmanship and fellowship among deaf bass anglers; and to exchange the experiences and knowledge of bass fishing gained through participation in previous N.B.A.D. and local bass clubs of the deaf tournaments.

For the last six years, our N.B.A.D. has not failed to entertain the contestants' wives and children; therefore I am proud to announce that this special event also serves well as a family affair, providing a fine vacation week for them. In addition, the facilities that are made available help to meet the needs of families and friends who wish to spend their free time altogether at campground sites and/or cozy motels.

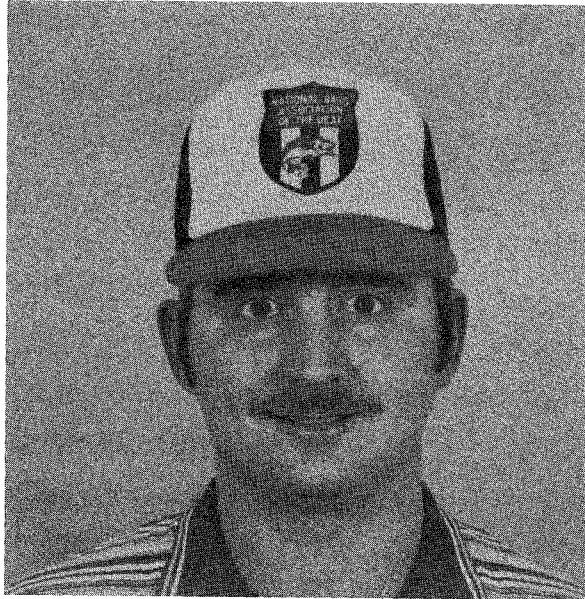

In conclusion, I love people especially fishermen and their supportive families and friends. I sincerely wish each and every one the very best of luck; and may the best fishermen win in the most sportsmanlike way and take home with them the best memories of Lake Eufaula!

T.G.I.F.W. (Thank Goodness It's Fish Week)

N.B.A.D.ically yours,

Charles E. Marsh Jr.

Charles E. Marsh, Jr.

A WELCOME MESSAGE FROM THE VICE-PRESIDENT

It is an honor to welcome you to the 7th Annual National Bass Association of the Deaf Tournament. As you know, the tournament is scheduled for June 22-24, 1982, and is hosted by the Cave Springs Bass Club of the Deaf from Cave Springs, Georgia.

I encourage you to meet and congratulate our General Chairman Frank Osborne, Co-Chairman Johnny Scott, and the host planning committees. They have worked hard to plan the fishing tournament and other events for visitors and families whom will be attending. Lake Eufaula is known to us, and to professional bass fishermen, as the bass capital of the world—which is Tom Mann's hometown. We can look forward to visiting the largest fresh water aquarium, and bait worms and lure factories. We appreciate the cooperation of the motels, cafeterias, KOA campground, and the marina operators, who will be serving us during our stay in Eufaula.

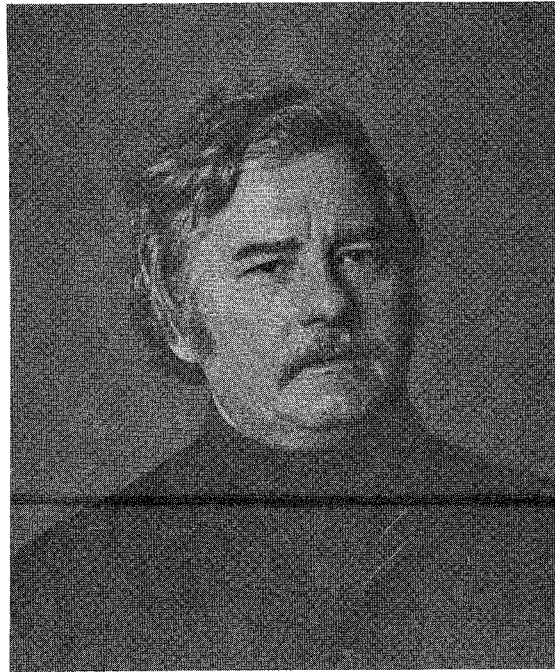

As we work together our influence should grow as we carry out plans to sponsor tournaments on the east coast on even numbered years, and west of the Mississippi River line on odd numbered years.

I know you share my pride in the past NBAD plays in promoting good sportsmanship, the sharing of ideas, and the increasing pleasure for our deaf members and friends from throughout the States.

Bassingly yours,

Raymond Cortez Steele, Jr.

"As Secretary of National Association of the Deaf Tournament for the year 1981-82, I would like to tend a welcome to each and every one of you to the Seventh Annual National Association of the Deaf Tournament, which is being hosted this year by the Cave Spring, Georgia, Bass Club of the Deaf.

"Your presence and participation are indicative of your enthusiasm and support of fishing activity.

"It is a privilege for every bassman to be a part of this exciting event, and I hope that you enjoy your fishing in Lake Eufaula, Alabama."

Bassingly yours,

Lucius Eugene Walker, Sr.
Lucius Eugene Walker, Sr.
1981-82 NBAD Secretary

I am extending my hearty Tiger congratulations to your organization, Cave Springs Bass Club of the Deaf, sponsorship of 7th Annual NBAD tourney.

The accomplishments made by Cave Springs:

1. First organization to volunteer to sponsor for the NBAD.
2. First to sponsor the official NBAD program book.
3. First organization to sponsor the tourney on the same lake, Lake Eufaula on the volunteer basis.

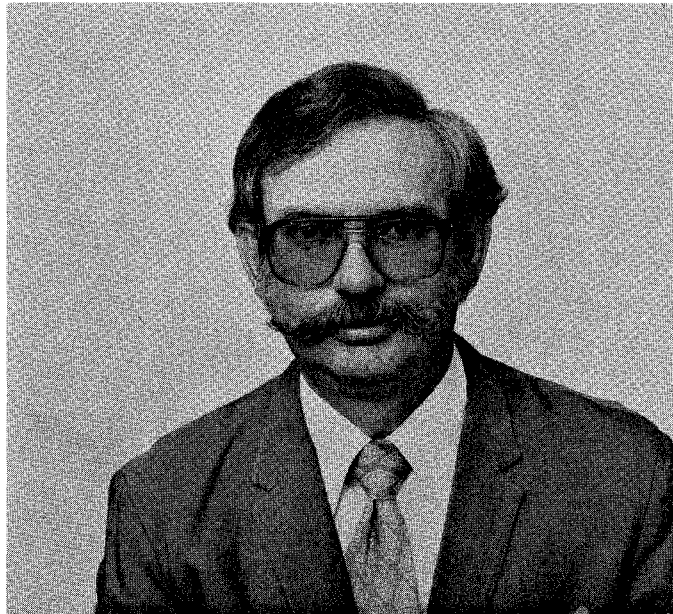

One thing the NBAD needs the most is to build a strong standing. It is still financial growing but slowly. The money must grow to provide more services and more promotional programs for our future tournament. The better our financial standing, the less problems we will have in the future. Will you provide your helping hands to the betterment of the NBAD.

I have confidence that Cave Springs will have a successful tournament.

Thanking you all for the past support of the NBAD.

Yours for the best NBAD,

Anthony Mowad
Anthony P. Mowad, Treasurer
and Co-founder

I am indeed pleased to be given the opportunity to welcome the participants to the 7th annual tournament of National Bass Association of the Deaf at Lake Eufaula, Alabama.

Since the beginning I have considered it a privilege to play a part in the continuous progress and growth of N.B.A.B.

Once served as its chairman and the President for 3 terms, I find that administrating and participating in this fine organization of friendly deaf Bass Anglers from several states and Canada, are too unique to abandon.

So here I am still serving N.B.A.D. as your Publicity Director.

Wishing every one of you the best luck toward winning the championship, I am

Bassingly yours,

Welcome to Lake Eufaula!

Make this event a memory for each of you when you return home. Enjoy your week and wish the winners the best luck.

It has been a great experience for me as a chairman of NBAD and I do not regret a minute I spent working for NBAD.

Not only I who worked, but the NBAD Planning Committees and members of Cave Spring Bass Club of the Deaf worked very hard also.

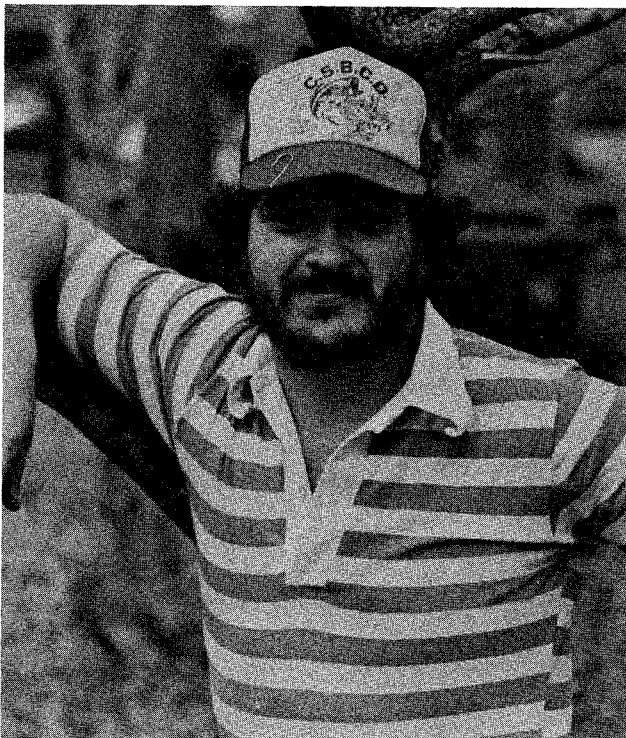

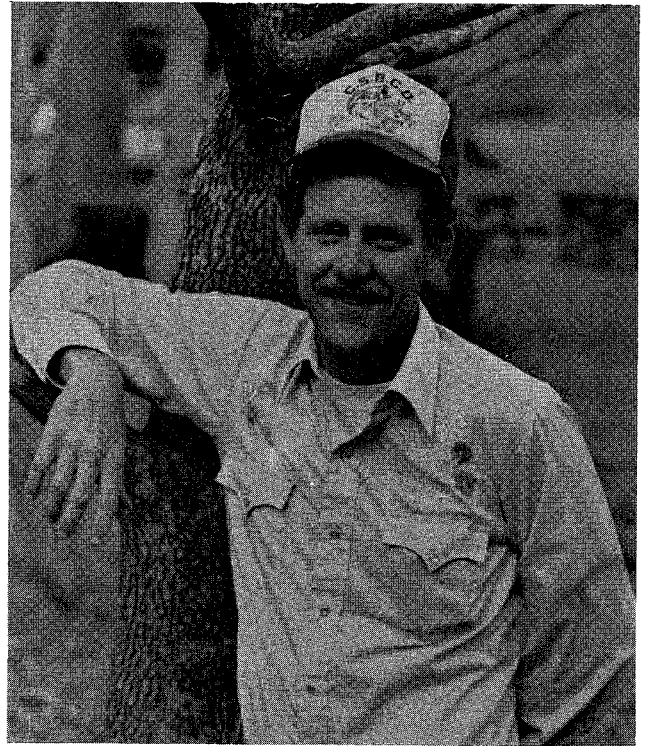

Let's make this a successful tournament.

Good luck to all fishermen!

Bassingly yours forever,

Frank W. Osborne
