A Welcome Message from NBAD President

On behalf of the National Bass Association of the Deaf, as president, I want to extend a sincere welcome to the committee members of the Indiana Bass Association of the Deaf in preparation for the 9th Annual National Bass of the Deaf Team Tournament.

It is the greatest opportunity in NBAD's history for most bass fishermen to participate in the NBAD's most northern region to fish. The Kentucky Lake region is the hub for various other regions such as the eastern, southeastern, south, midwest, and north to take advantage of attending at nearly equal distances.

Praise is due the Indiana Bass Association of the Deaf for its free and hearty offer to host the team tournament for the first time. Under the chairmanship of Jack Zook, co-chairmanship of Alan Rork, and their planning committee, they have given each of you their warm hospitality to ensure the success of our tournament.

The objectives of this annual event are to foster and develop good sportsmanship and fellowship among deaf bass anglers; and to exchange the experiences and knowledge of bass fishing gained through participation in previous NBAD and local bass clubs of the deaf tournaments.

For the last eight years, our NBAD has not failed to entertain the contestants' wives and children; therefore, I am proud to announce that this special event also serves well as a family affair, providing a fine vacation week for them. In addition, the facilities that are made available to help meet the needs of families and friends who wish to spend their free time all together at campground sites and/or cozy motels.

In conclusion, I love people, especially fishermen and their supportive families and friends. I sincerely wish each and every one the every best of luck; and may the best fishermen win in the most sportsmanlike way and take home with them the best memories of Kentucky Lake!

TGIFW (Thank Goodness It's Fish Week)
NBADically yours,

Charles E. Marsh, Jr.
NBAD President

Indiana Bass Association of the Deaf President's Message

Welcome all of you to beautiful Kentucky Lake for the 9th Annual National Bass Association of the Deaf Team Tournament.

Hosting this National Tournament has been a great personal challenge, as well as a new and exciting experience. It was rewarding to work together with the members from many different cities for the one purpose of planning the NBAD Team Tournament . . . one which will hopefully produce long lasting results.

I am looking forward to meeting all of the NBAD officers, recognizing that they are especially helpful to Bass Clubs for the Deaf and to the anglers themselves.

I would like to offer special thanks to Jack Zook, General Chairman, and to all of the planning committees that have worked hard to put this program book together and to make the 1984 NBAD Tournament a success.

IBAD shall appreciate your consideration and support to the NBAD Team Tournament, since NBAD promotes good fellowship, honor, and sportsmanship among deaf Bass anglers.

GOOD LUCK!

ALAN D. RORK
IBAD President
1984 NBAD Co-Chairman

WELCOME TO BEAUTIFUL KENTUCKY LAKE!

It is an honor to welcome you all to the 9th Annual National Bass Association of the Deaf Tournament June 19-21, 1984 hosted by Indiana Bass Association of the Deaf.

I am proud to be chairman, of co-chairman Alan Rork, and of all our planning committees, who have worked so hard to make plans for the fishing tournament and other events for visitors and families. We will make this event most enjoyable.

I am looking forward to meeting all officers of N.B.A.D. and new friends, new fishermen and old fishermen. I know you all share my pride in the part NBAD plays in promoting good sportsmanship, the sharing of ideas, and the increasing pleasure for our deaf members and friends in all the states.

GOOD LUCK TO ALL FISHERMEN!

Bassingly yours,
