20th ANNUAL NBAD TEAM TOURNAMENT

Hosted by the
National Bass Association of the Deaf
at
LAKE OKEECHOBEE
Clewiston, Florida

Headquarters at Roland Martin's Marina & Motel

June 13-15, 1995

The 20th Annual NBAD Team Tournament will be held at Lake Okeechobee in Clewiston, Florida on June 13, 14, 15, 1995. This is the first time our tournament has been held in Florida.

Wayne O. Mart, from Florida, has been serving as the General Chairman for this tournament. He has been working closely with the NBAD Board in making this a successful tournament. The Board thanks him and his planning committee for their help.

This year the winning team will be paid \$4000. This is a good increase from the \$3000 won last year. The Monday Lunker Contest will pay \$600 to the winner (based on 100 entries), the same as last year. Last year was a good winner's pot. For several years (1990-1993) the Team Championship won \$2000. So last year and this year have brought good increases to the winning pots. This means everyone will win more

Also this year we have received some responses from Boat Manufacturers.

Ranger is donating 24 Ranger hats and 100 assorted Ranger hand-out items.

Stratos will give 2 jackets to the highest finishing Stratos team.

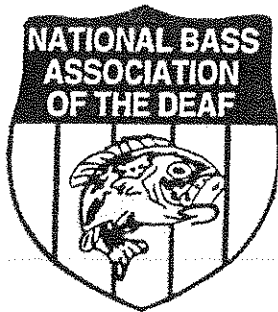

We are waiting for more responses. They will be noted in this year's Program Book.

Publicity Director's Notes . . .

This has been an exciting year because we have had a few responses from boating manufacturers and publications. Not as many as we would like, but it is a start.

Everyone should get involved in telling about NBAD. Write to your local bait shops and stores where you frequently buy your fishing supplies and tell them about the contest. Contact your local newspaper and have them write a story about you and the NBAD tournament (you do not have to be the champions to have a good story). Display your NBAD window decals on all of your road vehicles as well as on your boats. Tell all of your friends at the Deaf clubs, churches, and schools about our tournaments and the fun you have with your family. If YOU are excited about NBAD, others will become excited. It's like a smile, if you smile to others, they will return with a smile. It's contagious!

One thing remains undone yet this year. We still do not have captions on the "Outdoor" TV

Nashville TV station and your favorite TV "Outdoor" programs and ask them to consider captions on their programs.

If no one writes, the producers will not be impressed to spend the extra money needed for captions. The ONLY way is for everyone to let them know that you want it done. I have asked clubs to help with this and am not getting any responses. WE HAVE TO DO THIS TOGETHER. We cannot sit and wait for someone to do this for us.

HOPE TO SEE YOU IN JUNE!

Dear Mr. Rork:

Enclosed is a check of \$1000.00 (One Thousand Dollars) from Missouri Deaf Bass Anglers, Inc. (MDBA) for NBAD to purchase the digital signboard for the electronic scale for the future Team Tournaments.

During the MDBA general meeting, we talked about the difficulties during the Weight-in the 1994 NBAD Team Tournament, a motion was made and passed by the members to donate One Thousand Dollars to NBAD. Please accept our gratitude for this effort.

If you have any questions, please don't hesitate to write to me.

Sincerely,

Mike Donahay

Hearing Impaired Bass Anglers Society of St. Louis . . .

In 1990, the Hearing Impaired Bass Anglers Society of St. Louis (H.I.B.A.S.S.) was founded by eight members. The number of members has increased to 14. For the past four years, our record for bass caught and weighed is 111 bass and 231.12 pounds.

Great news! Ken Stehle and Tod Morris won the one-day Classic tournament for 1994 with nine keepers and a total weight of 28 lbs. and 6 oz.

The officers of H.I.B.A.S.S. are Chairperson Ken Stehle, Vice Chairperson David Keinath, Secretary Charles LeCrone, Treasurer Jim Engle, and Tournament Director Warren Keinath.

We look forward to seeing everyone at Kentucky Lake this May.

Indiana Bass Association of the Deaf . . .

The 1994 season was very successful for the Indiana Bass Association of the Deaf.

Seven monthly tournaments were held with an average of 10-11 participants per tournament. This year's Bassmaster award went to Alva Daugherty and the Lunger award went to Michael Byrns. Alva, Jack Zook, Alan Rork, and Jack Stigers all received free entries into the 1995 NBAD tournament at Lake Okeechobee. The total fish weighed-in during the seven tournaments was 107.47 pounds. (Fifty pounds of that came from the contest at Table Rock Lake!)

The Classic tournament champion this year was Jack Zook.

During the February, 1995 meeting, our club members voted to change our name to INDIANA DEAF BASS ANGLERS CLUB. Also new officers were elected for 1995:

President Jack Zook

Vice President Alva Daugherty

Secretary Mark Hare

Treasurer Ken Baughman

Auditors: Gale Harkness, Jack Stigers, Elen Zook

North Carolina Bass Association of the Deaf . . .

Members and friends of the NCBAD held their annual meeting at the FAED center in Charlotte on January 21, 1995.

There was a good turnout and two veteran ex-members have re-joined our club. We welcome back Butch Hicks and Mike Branch. Mike is a very successful crappie fisherman and still has preference to crappie tournaments if they conflict with our NCBAD contests. He has fished crappie tournaments in three different states. We wish him well in his endeavor as well as in our club.

Membership in the NCBAD will be the same as last year (35.00 with \$25.00 going to the angler of the year points and \$5.00 goes to the treasury fund and \$5.00 going to the angler who catches the biggest bass of the year during NCBAD contests.

We voted on 14 tourneys this year which breaks our old record of 13. This will be a tough grueling schedule. Thirteen contests count toward the bass angler of the year points, while the Classic does not. The Classic has been a two-day affair and is open to all Deaf anglers, members or not. Last year we had 26 anglers in our Classic, with several from South Carolina, so we want to continue building on that. This year's Classic will be held the same place as last year -- Lake Wylie on September 23-24 at the McDowell Campground and Park. Entry fee is \$25 per angler. NCBAD will provide cash for luncheon prizes for each day. So we welcome all to our Classic XVII, September 23-24, 1995.

Our other 13 contests are as follows:

February 25 at Lake Wylie	March 11 at High Rock Lake
April 22 at Lake Hickory	May 6 at Lake Norman
May 20 at Lake Jordan	June 3 at Lookout Shoals Lake
July 15 at Lake Tillery	August 12 at Lake Rhodhiss
August 26 at Lake Hickory	September 9 at Lake Badin
October 7 at High Rock Lake	October 21 at Lake Wylie
November 11 at Lake Norman	

It was hard to vote on the dates because of other tourneys such as NBAD, SCBAD Classic and others.

Last year we voted to have a "Nite" tourney on a trial basis but it got flooded out so badly that all the boat ramps were closed because of water 35 feet high. This year we did not schedule a night tournament.

We are excited about the new schedule and fishing some lakes twice. Those lakes are very productive, so we omitted other poor fishing sites. It was not easy to come up with this schedule.

Here's to a very exciting Bassing year to all!

Dear Elen,

Thank you for your recent correspondence. We are pleased to learn about the plans for your 20 Anniversary tournament scheduled in June 1995.

We are happy to participate by donating 24 Ranger caps and 100 assorted Ranger hand out items. These items will be shipped via UPS with our compliments to Roland Martin's Marina in May of 1995. If this is a problem, please call Valerie Wallace at the number below. We hope our donation will lend to the overall success of your tournament.

If you could send pictures or articles about your tournament for our files it will aid in our decision for future support which of course is based on the amount of exposure Ranger receives.

We appreciate this opportunity to be of service and wish you the best of luck with the success of your tournament.

Sincerely,

RE: Program Book Advertisement

We are holding our 20th Annual National Fishing Tournament this June. We will be at Lake Okeechobee, with headquarters at the Roland Martin Marina.

For this special event, perhaps you would like to be one of our sponsors by buying advertising space in our program book. The contract enclosed explains the various sizes of 3" X 2", 3" X 5", 7" X 5", and 7" X 10 1/2" costing \$25, \$50, \$75, and \$100 respectively. Our program book is part of the kit given to each participant and will also be available for purchase from the fans. We have been averaging about 125-150 participants in the last few years.

I and my husband are owners of a Stratos. We love it and would really like to see your advertisement in our program book. We have received many compliments on our boat.

We thank you for your consideration. If you decide to purchase advertising space, please send your layout with the contract. If we do not receive a layout, we will assume that you want us to make one up for you. You will also receive a copy of the program book with your purchase of the advertising space.

Sincerely yours,

Elen Zook, Publicity Director

News From The World Of Fishing

Deaf Anglers Invited To Compete In Annual Tournament

The National Bass Association of the Deaf has announced the dates for its 20th annual fishing tournament. The tournament will take place June 13-15 this year at Florida's Okeechobee Lake at the Roland Martin Marina.

The Association began as a small group of deaf anglers and friends in June 1976, and has grown from there. The tournament saw a record 186 entries last year at Table Rock Lake in Missouri. For more information about the tournament or the group, contact: National Bass Association of the Deaf, Inc., Elen Rork Zook, P.O. Box 42, Noblesville, IN 46060; TTY 317/773-5442.

Shimano Announces Tall-Tale Story Winner

While snorkeling off the Florida Keys recently, Frank Castellano of Tampa Bay snagged a yellowtail snapper — on his hook-adorned necklace. While swimming back to the boat, a 4-foot barracuda shot out of the depths and ate half the yellowtail while it was still stuck to Castellano's necklace. Reaching the boat, the lucky diver baited a spinning rod with the yellowtail head and caught the barracuda.

Sound like a grossly exaggerated fish story? It is. Castellano won first place and \$1,500 worth of tackle in Shimano's "Fish Stories Tournament." The fishing tackle manufacturer received more than 500 fish stories from across the nation, but Castellano's story of the one that almost got away won by a neck.

Luremaker Challenges Anglers To Catch Big Fish

Fred Arbogast Company has challenged anglers to catch big fish on one of the company's lures with their World Record Contest. First prize for breaking a world record is a Champion 186 Elite bass boat with a Mercury 150 XRI, MotorGuide 750 Trolling Motor, Lowrance depthfinders and custom trailer. The contest includes black bass, northern pike, striped bass, walleye pike, muskellunge, lake trout, German brown trout and kingfish. To be eligible all fish must be caught on a lure manufactured by Fred Arbogast and must be caught according to I.G.F.A. international angling rules.

To receive a copy of the rules, write: I.G.F.A., 1301 East Atlantic Blvd., Pompano Beach, FL 33060 or call (305) 941-3474. All verified and documented entries must be sent by Aug. 1, 1995, to Fred Arbogast Company, 313 W. North St., Akron, OH 44303.

Arkansas Angler Sets New Shadow Bass Record

While many fishermen have never even heard of a shadow bass, Sam Barkley certainly has. In fact, he holds the Arkansas record for recently catching an impressive member of that species. Barkley, a fisheries biologist stationed in Jonesboro, Ark., recently caught a record 1-pound, 5-ounce shadow bass on a 4-inch plastic grub with an orange jighead at Fulton County's Spring River. The shadow bass is the smallest species of rock bass. They rarely weigh more than a pound, and most adults are about 8 inches long.

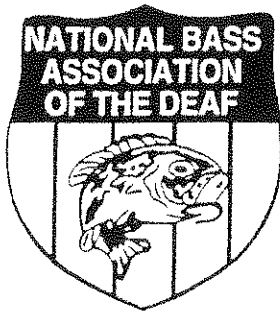

Outdoor Women Workshops Offered

Several "Becoming an Outdoors Woman" workshops are being conducted across the country in April. The program was initiated in Wisconsin by Dr. Christine Thomas in 1990 in an effort to give women more opportunities to learn about outdoor recreation. More than 30 of the workshops are being conducted across the United States and Canada this year. Those states with upcoming April workshops are: Texas, April 7-9; California, April 21-23; Florida, April 21-23 and Louisiana, April 28-30. New Mexico, Indiana and Ohio have workshops slated for early May.

For information about workshop dates in your area contact your state natural resources agency or call Diane Lueck at (715) 341-2070.

BASSIN' Readers Win Prizes

Two more winners have been chosen in BASSIN's monthly subscription renewal drawing. Ben Wilson of Gallatin, Tenn., received a Quantum Probe baitcasting reel and Orvin Boettcher of La Puente, Calif., will be filling a new Plano Model 1232 tackle box for spring. Congratulations to these subscribers!

Results of Questionnaire given out at the 1994 Tournament:

A questionnaire was given out to the 90 boat owners that took part in the 1994 tournament. I received answers back from only 34 owners.

Boat manufacturers: **Ranger** ranked the most numerous with 10 owners. Stratos and BassTracker each had 4 owners. Two owners of each of these: Lund, Nitro, ProCraft. Only one owner of each of these: Bass Cat, Monark, Grambler, Javelin, Skeeter, Cajun, Champion, Dem Craft, Ensign, and Baretta.

Motor Manufacturers: Most of the boats were equipped with Mercury (13), then Evinrude (9), Johnson (8), Mariner (2), Yamaha and Force each 1.

Motor HP: The most popular horsepower is 150 (10), then 115 (5), then 75 (3). There were two with 200, 75, and 175 HP. One boat each had 50, 60, 70, 85, 90, 100, 110, 120, 135, and 225 HP.

Trolling Motor Manufacturer: More than half the boats (that I received responses) were equipped with Motor Guide trolling motors (19 boats). Then six boats had Minn Kota, three boats had Evinrude, another three had Johnson, and one boat each with Eagle, Mariner, and Mercury trolling motors.

Depth Finder Manufacturer: Several boats had more than one depth finder. The one on nearly every boat is the Lowrance (27). Boat owners had 19 Humminbirds, 17 Eagles and 2 Apelcos.

Favorite Fishing Rods: Some of the anglers answered more than one, but ten anglers had no preferences. The ones most frequently mentioned were the Quantum (4), Berkley (4), All-Star (3), ABU Garcia (3), Fenwick (2), St. Croix (2), Browning (2), and Daiwa (2). Some others mentioned once were Eagle, Shakespear, Liberty, and Bionic Blade.

Favorite Fishing Reels: Six anglers said that they would use any reel-no preferences. The most popular reel is the ABU Garcia (12), and the Daiwa (8), followed by Quantum (6), Shimano (3), Lews (2), Mitchell (2), and Bantam (1), and Zebco (1).

Favorite Fishing Line:

Stren and Berkley/Trilene were each preferred by 14 anglers. Silver Thread and Spiderwire were each mentioned by 3 anglers.
