SURPRISE !! SCDAC wins 7th place out of 104 teams at NBAD in Kentucky

By John DuQuin of California

It was a real surprise for all deaf pro bass anglers from all over the nation when NBAD President Alan Rork of Indiana presented a handsome award to *SCDAC President Blake "BFT Loser" Smith and John "Fish head" DuQuin* for capturing 7th place winner during the NBAD's 22nd Tournament at Lake Barkley, Kentucky last June 1997. He also granted Blake two nice trophy plaques for winning a Lunker Bass contest and Rookie of the Year award. He was the first deaf angler from California to win his NBAD awards. There was a huge field of 104 teams (208 deaf anglers) that showed up at the event. It set a new attendance record in the NBAD's history! The old record from last year was 98 teams (196 anglers). It was hosted by Columbus Deaf Anglers Club of Ohio.

Everybody was very dumbounded to see our SCDAC members using a small rent boat with 15 horsepower motor in this major deaf bass tournament. Nearly all deafies from all over the nation brought their own \$20,000 pro bass boats which can run up to 70 MPH. On each morning, NBAD officers asked SCDAC guys if they were all right before they started to leave the dock in their rented boat before pro bass boats went zooming out fast and made the water rough which could capsize small boats.

On the 3rd day a bad luck hit our deafies - their marine battery went dead by 9:00 a.m. It was the most valuable tool they needed to use to search for bass. A healthy battery could run an electronic fish finder a trolling motor. They were very frustrated all day long! No wind or no boat drifting !! By 1:00 p.m. John found a good spot with some rocky structures in the deep channel. While using his small Shimano Calcutta reel loaded with 14 pound test line, Blake casted his plastic lizard out near a boat dock. BINGO! He nailed a nice 4 lbs bass! He quickly changed his plastic lizard to his favorite deep shad plug. Only five minutes after he casted his plug on his 2nd try, it hit a BIG BOMB!! Big bass stuck his lure and went under the boat like a speeding missile. He fought it with his extra care. It turned out to be almost 6 pounder! He was very lucky to hit this one in the right spot at the right time because he was due to leave the area in only one hour in order to meet the NBAD's deadline for all deaf fishermen to show up at 3:00 p.m. for official weigh-in. Blake and John were in 35th place on the 1st day of the tournament, then pulled themselves to 12th place. On the last and third day, they advanced to 7th place. Both guys combined in 7 bass totaled 20.67 lbs which was big enough to finish in 7th place and they brought \$160.00 cash!

SCDAC's Three Day Trip Scored Limit of Tuna and Yellowtail !!!

We had a wonderful time fishing in two water different territory at Baja. The weather was beautiful and so perfect, even though, the water was so calm.

On the first day, we departed at 1 pm heading south of Baja. The skipper told us to use 40 lbs. line due to the large size of fish. We planned to fish at approximately 115 to 125 miles south of San Diego. We found a spot where a huge school of small yellow fin. Then the four of us brought 6 bonito and small yellowtail.

Next day, there were 17 anglers including 6 deaf) already caught the limit of yellowfin tuna that was total of 170 lbs which weigh about 6 to 12 lbs each fish plus 10 dorado up to 21 lbs. The spot where we fished at 120 miles south of San Diego, California and 25 miles west of Punta Colnett, Baja Mexico.

Then on the third day, we went to San Martin Island around at two in the morning, collecting more mackerel or sardines to use as live baits by fly rigs. The limit of yellowtail was filled up at hot spot called "Ben's Rock" where the famous reef is located which is 5 feet deep water. That ended our fishing trip collecting the yellowtail and tuna. We had to travel 16 hours back home to San Deigo dock.

Good news is I won \$160.00 jackpot for the new record of dorado fish I caught, weighs 21.20 lbs. and 48 inches long. I found the hook/line with sardine in dorado's stomach.

(It was obvious someone lost its hook and bait to dorado before I caught it.)

10 Bass of total 55 lbs !!

One morning at 8:45, we (John DuQuinn, Mel, Keith Brown and his son, Jesse, 11 years old) rented boats for all day with nice, quiet weather. We worked on worms, spinnerbait at points of main lake, but there was no luck. We decided to move to a cove with heavy bushes area. Keith caught two nice bass weighing 2 lbs, using crawdad plug. John only got a one bite; however, he was running out of luck for the day.

Til around 11:30 am, the weather suddenly changed from calm to very hard windy, our boats started losing control. We decided to quit at 2 pm.

We were told by the store that day, two anglers caught 2 limit of 10 bass weighing 55 lbs. including one big bass weighs 12 lbs. All were used on live crawdads.

NCBAD EVENTS !!!

By Randy Poteat of North Carolina

Badin Lake - July 19

It was a very hot blistering day as twelve (12) of us tried to survive and fish. There were many big dead strippers floating on the lake as the water was too hot for them. Billy Bledsoe managed to win this time. He was able to find a cool, shallow creek to catch two nice bass. The rest of us had to keep moving to keep us cool. Maybe we should fish at night here next year.

Billy Bledsoe (2) 3 lbs. 4 oz.
Mike Branch (1) 2 lbs. 8 oz.
Randy Poteat (1) 2 lbs. 3 oz.
Martin Prince (1) 2 lbs.

Kerr Scott Reservoir - Aug. 9

Another hot day greeted 14 of us on this mountain lake that we have not fished for several years. There were 8 of us that did not have a bass keeper. It was here where one of our former members fishing in a hearing tournament, caught a huge bass weighting 12 lbs 4 oz. But, today it was Steve Morris who won. He found a great spot that Jesse Church saw him fishing then Steve moved away, Jesse came to Steve's spot and caught 2 bass quickly. Next time, Steve Morris would not move.

Steve Morris (2) 7 lbs 1 oz.
Jesse Church (2) 5 lbs.
Bryan Kennedy (2) 2 lbs 11 oz.
Billy Bledsoe (3) 2 lbs 5 oz.
Ricky Saulman (1) 1 lb 2 oz.

Lunker #1 Steve Morris
5 lbs. 4 oz.
Lunker #2 Jesse Church
4 lbs. 1 oz.

Falls of the Neuse Lake - August 23

It was a very hot day for 16 anglers to come here for the first time. This lake has a slot limit of 12 inches - 16 inches fish to be returned. A 14 lbs monster bass

was captured here recently and we were really excited, but it was a real letdown as ten of us had no bass keeper. What a day! Bryan Kennedy win his first ever NCBAD tourney. We normally make our schedules by drawing which lakes to fish out of the box in a random drawing. This lake does have a good reputation.

Bryan Kennedy (1) 1 lb. 11 oz.
Gary Combs (2) 1 lb. 7 oz.
Randy Poteat (2) 1 lb. 5 oz.
Billy Bledsoe (2) 1 lb. 2 oz.

4th Annual Invitational Tournament - Lake Anna, VA hosted by MarVa Silent Bass Anglers

Again as usual, Lake Anna in Virginia looked promisingly resourceful during the fourth annual invitational tournament at High Point Marina during the weekend of September 20-21, 1997.

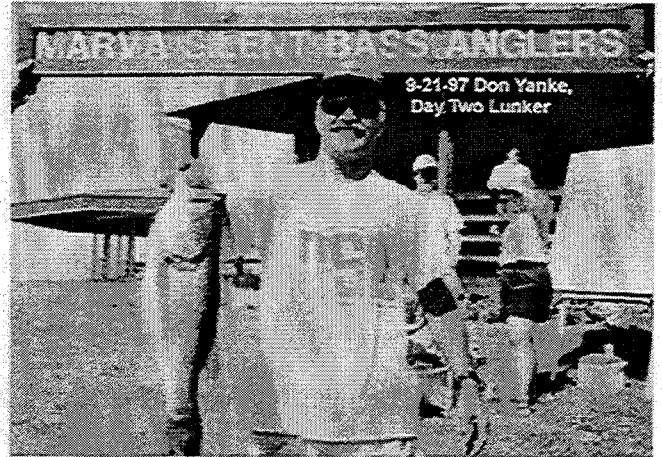

Some deaf fishermen had already wet their line for practice during the week and sure enough there were plenty of bass in the lake. **Jason Teramae** was the chairperson for the invitational tournament. He was glad that 58 fishermen (29 boats) showed up for the invitational tourney. Some of us stayed at the High Point Inn, Anna Point Inn, and Lakewood Motel.

3:00 pm on Saturday marked the end of the first day tourney. **Jason Teramae** compiled the weigh in scores that we brought in a total of 53 bass (weight total of 53 lbs. 6 oz.) **Bob Seremeth Sr** and **Bob Corbett** won first place with 5 bass weighing 8 lbs. 11.5 oz. The lunker winner for first day went to **Sam Harris** for bringing in a 4 lbs.14 oz. bass and received a prize worth \$145 in cash.

On Saturday evening at the pavilion, **Bobby Seremeth Jr**, NBAD 2000 chairperson, gave us a presentation about the big upcoming tournament during June 12-15, 2000.

Jack Gleicher drove up from Coral Springs, Florida to participate in our invitational tournament and also, he brought the Gambler products to be distributed among the participating fishermen. Other participants came from New York, New Jersey, Delaware, Pennsylvania, Connecticut, and North Carolina.

The rainy weather had started on Saturday night but stopped sometime overnight. We had to work hard on Sunday since the tournament would stop at noon meaning we had to put our rods away at high noon.

The father and son did earn their \$600.00 prize for their hard work trying to bring in those bass.

The Tournament Rules shall be printed with the tournament announced flyers and inside each souvenir book every year.

Section 1 – SPORTSMANSHIP: Any contestant who displays poor sportsmanship, violates any of the contest rules or violates the state fishing laws shall be promptly disqualified. No rotation of boat partners will take place for any given reason once their names are registered with NBAD. In case of emergency, illness or serious injury should any one members of the team be forced to leave the NBAD Tournament, the other will either be automatically dropped out or be accompanied by an appointed observer (see Rule #15 or replacing fisherman rule #11).
