NATIONAL BASS ASSOCIATION OF THE DEAF

MARCH, 2000

25th ANNUAL NBAD TOURNAMENT

WELCOME to Lake Anna. Lake Anna is the second largest lake located entirely in Virginia with over 200 miles of shoreline and stretching 17 miles long. Lake Anna's setting is rural and picturesque. Situated in three central Virginia counties, the landscape is primarily farms and rolling hills.

Virginia Power purchased 18,643 acres of rural land along the North Anna and Pamunky rivers in 1968. The lake was needed to serve as a supply of cooling water for the North Anna Power Station. By 1972 the soon-to-be-lake bottom was completely cleared of all timber. A ninety-foot high dam was constructed on the North Anna river and all that was needed was more water. Based on the flow rate of the river, it was estimated that it would take three years to bring "Lake Anna" to full pool. With the help from Hurricane Agnes, the lake was at full pool in eleven months.

Now 25 years in existence, the lake continues to provide recreational opportunities for many, while maintaining a tranquil beauty. Lake Anna is really two lakes in one. The "main lake" is comprised of 9,000 acres and the "private side" is 3,400 acres. The two sides are separated by three rock dikes. The water intake is located on the main lake and the warm water discharge empties into a series of three cooling ponds which make up the private or "warm side." After the water cools, it returns to the main lake at dike three. The private side is private in the sense that there are no public boat launch facilities. Many beautiful homes adorn the serene wooded landscape on both sides.

The Department of Game and inland Fisheries manages the recreational use of the lake. The lake contains over thirty species of fish including largemouth bass, striped bass, walleye, catfish, crappie, bluegill, white and yellow perch and threadfin shad. Certain non-reproducing species of fish are restocked annually. Fishermen generally prefer the spring and fall months but also take advantage of the excellent winter fishing that Lake Anna provides.

Publicity Director's Message by Elen Zook

I'm sorry this year's issues have not been on time. This issue was difficult as I had to search for the history data for the 1996-1998 before vears completing this issue. With most of this data caught up. I don't foresee any problems of getting next year's issues out on time.

This issue is a really big issue with lots of pictures and history. I hope you enjoy it. Thanks again to Patricia Wilson from MO who took all of the pictures at the 1999 tournament. She did a terrific job. The original photos will be on display at Lake Anna.

Any clubs wishing to input information about their club, please e-mail me or write to me. I will be happy to include the news in our next newsletter.

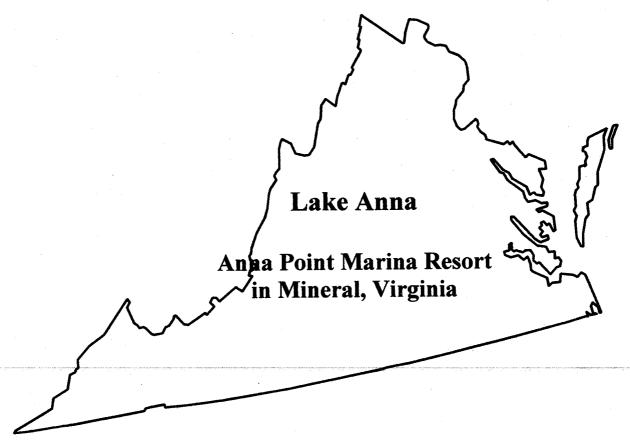

For recorded purposes, the cost of printing the September issue (which went out in January) was \$848 and the cost of mailing that issue was \$725. Also the cost of envelopes to put the newsletter in was \$31.44.

Congratulations to Wayne Mnich from Speech and Hearing Sciences at Indiana University (IU)

Our NBAD president, Wayne Mnich, not only serves our organization well, he is doing an outstanding job as ASL Professor at the Indiana University. Here is a copy of the letter he received from IU.

Dear Professor Mnich:

It is my great pleasure to inform you that you have been selected to receive the 2000 James Holland Award for Exemplary Teaching and Service to Students.

As you may know, the award was established in memory of the late James Holland, a faculty member in Biology for many years, who was celebrated for his concern for and service to students, as well as for his excellent teaching. The award is relatively new, and you are the second person to win this award. But each time, nearly 700 College of Arts and Sciences full time faculty members are eligible, and this year, the selection committee reviewed the nominations of several of our very deserving colleagues. Thus the nominating materials we received about your teaching and service clearly made a very special impression on the selection committee.

Several of your students and colleagues wrote letters of support, providing compelling descriptions of the outstanding contributions that you make to the College of Arts and Sciences, and indeed to the campus as whole, through your teaching in American Sign Language and your work in Speech and Hearing Sciences. You are valued as an exceptional and enthusiastic teacher, whose concern for the personal and intellectual well-being of his students inspires respect as well as deep admiration. In short, your work as a faculty member genuinely embodies the spirit of Prof. Holland's devotion to the intellectual and personal well-being of students.

The college would like to honor you (with a plaque and honorarium), as the recipient of the 2000 Holland award, at the College's Commencement lunch on May 6, 2000. The lunch is from 12-2 in the Alumni Hall, IMU. We sincerely hope that you, and any guests you would like to invite, are available, and able to attend the luncheon. I'd be especially grateful if you could notify me at your earliest convenience to let me know of your availability to attend the luncheon, of any guests you'd like to invite, and of any other questions or concerns you might have about the presentation.

Let me offer my congratulations on the award, and my gratitude for the outstanding teaching and service you provide for our students, and the College as a whole, every day.

Shirley Creek Marina "Get Together" March 10, 2000

President Ronny Taylor called for a "Get Together" in the dining room of the Shirley Creek Marina on Friday, March 10, 2000 around 7:00 p.m.

President Taylor announced the Shirley Creek Marina would have its breakfast buffet if at least twenty-five people attending. It costs \$6.38 per person – all you can eat including coffee and orange juice. President Taylor begged all members to attend its breakfast buffet. Find Sherri for her confirmation to open breakfast buffet tomorrow morning.

There were many merchandise prizes to be giving away. The costs of buying tickets to win prizes were one ticket for one dollar, six tickets for five dollars and fifteen tickets for ten dollars. The prizes were real good qualities to be useful for fishing and camping. President Taylor pointed several company banners that represented their contributions and gift certificates.

President Taylor introduced his officers and their names. There were thirty-four contenders. Carlos Holdridge asked for his rigger. Friday registration location was in Cabin #16; Saturday would be in the dining room of the Shirley Creek Marina.

Leaving the ramp, all boats were advised to trail closer to the bank and boat stall. President Taylor would choose our weigh-in location tomorrow after the Saturday tournament. The tournament rules and regulation were advised to follow, if not, the contender would be disqualified. There were some rules and regulation discussion to be clarified especially to an issue of fifty yards apart from the boat that had been anchored and the trolling motor was folded up. Any grievances should be written to Wayne Carter and Colton Armstrong within thirty minutes after the completion of weigh-in.

Ed Wood and Medford Magill were appointed to be our auditors.

Vice-President Juan Carrizales asked to read his up-to-date By-Laws revision. Any additions and/or disagreements in our Constitution and By-Laws were advised to see Vice-President right away in order to see our organization being strong and brotherly.

President Taylor asked us to sign "thank-you" in shivering fish-shaped hand up, down; up and down for Wayne Murphree hauling Carlos Holdridge's disabled boat back to marina. Ed Wood made a comment about his local bass club hosting its fall tournament at Toledo Bend Reservoir and the date was not made yet. President Taylor closed our "Get Together" around 8:00 p.m.

Respectedfully submitted by James Kallina TBCD Secretary

N. C. B. A. D. Annual Meeting

Members and friends of the N.C.B.A.D. had their annual meeting at the F.A.E.D. Center (Spell it backwards!) in Charlotte, NC on January 15, 2000. There were 30 people in attendance and took more than three hours to complete this very pleasant meeting.

We gave out four very special plaques before the meeting.

Tonya Prince was given a plaque honoring her for being the first female Bassin' Gal of the N.C.B.A.D. She has done very well with us for two years. She and her husband are both from South Carolina but both are members of N.C.B.A.D.

Randy Poteat was awarded the Bass Angler of the Year plaque. It is his fourth time in 25 years with N.C.B.A.D.

Steve Morris received a plaque, "The Midas Touch," for greatly improving the N.C.B.A.D. fundraising events. He has taken us out of the dark ages into the future. We owe him a great deal!

Bob Ketner was honored with a plaque naming him "The Millennium President." For the last six years he has done a lot to attract new members, improve the overall quality of N.C.B.A.D. into the 21st century. We all owe him profoundly.

After snapping many pictures, we got down to business and made the N.C.B.A.D. tourney schedule. For many years we have rewarded members 2-points bonus for every live bass brought to the scales and then released. We still do that, but this year we will penalize anglers 4 ounces for every dead bass brought to the scales. We will also penalize anglers 2 ounces for bringing "short" under-legal size bass to the scales. So it pays to be aware of these rule changes. We also have a 5-point bonus for every tourney that members participate in. We will also have a night tourney from 6 p.m. to 3 a.m. We tried this four years ago, but that time the lake was flooded with over 35 feet above normal levels, so we hope we don't have a "wash out" this time.

Again this year we voted for 13 tournaments. Twelve contests will be for points and one will be the Classic. Many will go to the Southeast Bass Assoc. of the Deaf at Lake Russell in Georgia on May 20, S.C.B.A.D. Classic at Lake Murray on May 6 and 7, and the N.B.A.D. tournament at Lake Anna in June. So that means many of us will attend 16 tournaments.

Here is a list of our Final Five for the last season tournaments:

1) Randy Poteat	696 points
2) Roger Stewart	539 points
3) Jesse Church	516 points
4) Bob Ketner	513 points
5) Ricky Saulman	480 points

Here is a list of our NCBAD Y2K Tourney Schedule:

February 19 at Kerr Scott Reservoir
March 4 at Lake Wylie
March 18 at Lake Jordan
April 15 at Lake Norman
May 13 at High Rock Lake
June 3 at Mountain Island Lake
July 15 "NITE" at Lake Hickory
August 4 and 5 Classic at High Rock Lake
August 19 at Lake Rhod Hiss
September 16 at Lookout Shoals
October 14 at Buggs Island
November 4 at Belews Creek Lake
December 2 at Tuckertown Lake

NEW CLUB

The Midwest Bass Anglers, Inc. is founded by Dennis Bacon. The first meeting was at Dennis' home on February 26, 2000 with a great turn out. At the present time, M.B.A. has 14 members with officers:

Dennis Bacon – President Ron Smith – Vice President Judith Smith – Secretary Mark Bax – Treasurer

The first tournament was at Lake of Ozark. Fishing was great. The second tournament was on the other side of Lake of Ozark. Again fishing was great with many catches. The third tournament was at Pomme De Terre Lake. Everyone enjoyed their catches. Many keepers were caught. There were eight fishermen with 32 bass weighing 36.10 lbs. for the total. It was the best record day. The point leader is Ron Smith, of course, but others are chasing closely behind. The next tournament will be at Truman Lake. Our members are the best fishermen and fisherwomen that I have ever seen.

Big Dreams!

Two men were sitting at a bar telling their dreams from the night before.

"I dreamed I was on vacation," one man said fondly, "it was just me and my fishing rod and this big beautiful lake. What a dream!"

"I dreamed I was in bed with two beautiful women and having the time of my life," said the other.

His companion looked over and exhorted, "You dreamed you had two women, and you didn't call me?"

"Oh, I did," said the other, "but your wife said you'd gone fishing."

Jokes

A fisherman wanting to fly cross country called the airlines, "Can you tell me how long it'll take to fly from San Francisco to Virginia?"

The agent replies, "Just a minute . . . "

"Thank you" the fisherman says and hangs up.

An old country doctor went way out to the boondocks to deliver a new baby. It was far out, there was no electricity. When the doctor arrived, no one was home but the laboring mother and her 5-year old child. The doctor instructed the child to hold a lantern high so he could see while he helped the mother deliver the baby. The child did so.

The mother pushed and after a little while, the doctor lifted the newborn baby by the feet and spanked him on the bottom to get him to take his first breath. The doctor then asked the 5-year old what he thought of the baby.

"Spank him again," the 5-year old said, "He should not have crawled in there in the first place."

Obituaries

We have several of our NBAD devotees who are not with us this year. Here are some e-mails that have been received.

JOHN LEE

From Ronald Taylor (on Tuesday, February 8, 2000): Hello Everybody,

Our beloved friend, John Lee, passed away yesterday morning at 6:45 a.m. at his home. Visitation/Wake will be held today from 5 to 8 p.m. at All Faith's Funeral Service North – 8507 North I-35 and then we will have Memorial Service for John Lee at the same place tomorrow at 11 a.m.

Funeral Director said that John Lee can be viewed today from 5 to 8 p.m. However, he will be cremated per his wish and another wish of his is that the ashes to be spread at his two favorite places – Lake Travis of Austin and at the beach in Matagorda, Texas. His love for fishing (freshwater and saltwater) fulfilled his life in addition to deer hunting. He was 51 years old (I believe so, maybe 50). His two children, Krista and Erik was John Lee's most precious gift of life.

I am deeply saddened by his death, but it was expected. Cancer robbed his life...he fought a big battle against cancer to the end. I was told he was saved recently so I am hopeful that he is in heaven now. And in peace.

I also had one of the best opportunities...knew John Lee from years at TSD and one of my favorite bass fishing buddies! We spent a lot of time on the lake and we had thousands of good times together...fishing, camping, and cooking. John, I am gonna miss you very very much. And John, I love you. We will have another memorial service to honor and remember you, John, during our annual Texas Bass Club of the Deaf Tournament at Lake Sam Rayburn (Shirley Creek Marina) on March 11th. Everyone invited.

In place of flowers, contributions can be made to Austin Hospice or American Cancer Society.

Thank you very much, Ronny.

John Lee and Wayne Carter were NBAD champions in 1978 at Table Rock Reservoir, MO. John attended the first NBAD tournament in 1976, then 1977, 1978 (was champion with Wayne Carter), 1979, 1980, then missed a few years until 1985, 1988, and last time was 1990.

ABEL GARCIA

I received this e-mail from Ronald Taylor on Friday, April 21, 2000:

Hello my fellow Bass fishermen and friends... It breaks my heart to tell you this...

Abel Garcia passed away yesterday afternoon. James Ashley sent me an email awhile ago. I will send another e-mail regarding funeral arrangements plus my thoughts, feelings and love of this great person – ABEL GARCIA.

From Carlos Holdridge on Saturday, April 22, 2000:

Carvin and all of my friends who e-mailed me the sad news, I am very sorry and shocked to hear about Abel Garcia's passing so suddenly. I know he has been in good health for a long time. It is such a shocking bad news and it almost bled me white.

Abel participated in our last two tournaments, TBCD (2000) and NBAD (1999). At the last TBCD we gave him a certification for his years of attendance and he was really all smiles when he received it. I am glad we did it.

Virginia and I wish to express our sorrow to Ruby and their children.

Abel Garcia was indeed a good person, as I (Elen Zook) enjoyed talking with him at several of the NBAD tournaments. Abel had attended the very first NBAD tournament in 1976 and missed only a few tournaments. He had fished in 17 of our tournaments, the last was June, 1999.

JAMES LEON KALINA

This was e-mailed from Carlos Holdridge on May 24, 2000: From the American Statesman newspaper of Austin, Texas by Erik Rodriguez, American-Statesman Staff Sunday, May 14, 2000

To James Leon Kalina, deafness was anything but a disability. The Texas School for the Deaf instructor had a passion for sports, gardening, and bass fishing that spoken words could not describe, family members said.

Kalina, 53, died Friday in a motorcycle wreck on South First Street and Barton Springs Road.

"He was proud to be deaf, and yet he was very comfortable with people that could hear," Kalina's wife, Jeanne, said Saturday. "He was able to be part of both worlds and make everyone laugh and feel loved and welcome."

Kalina was born in San Antonio and attended Sunshine Cottage and later, the Texas School for the Deaf. He went on to receive a bachelor's degree from Gallaudet University in Washington, DC, and did graduate work in deaf education at California State University of Northridge.

In 1970, Kalina began teaching at the Wisconsin School for the Deaf, returning to the Texas School for the Deaf as a teacher in 1978.

In the 22 years since then, Kalina taught a variety of subjects at the school, including woodworking, math and job skills.

"He always had a smile and a story for everybody," said Claire Bugen, superintendent of the Texas School for the Deaf. "He had a passion for fishing, and he would often see if he could get some of the kids interested in his hobby."

Kalina was active in his interests and made a difference in the deaf community, Bugen said. He was a member of the Southwestern Athletic Club for the Deaf and Austin Bass Club for the Deaf, and was secretary fo the Texas Bass Club for the Deaf.

More importantly, Kalina was president of the Austin Association for the Deaf for nine years, a job he only recently retired from, his wife said.

Kalina is survived by his wife, his children Jason Leon of Colorado, Melissa Sue and Patrick Albert of Austin, and mother, Elouise Kalina, of San Antonio.

Service will be 4 p.m. Monday at Wilke-Clay-Fish Funeral Home. Instead of flowers, the family requests donations be made to the James L. Kalina Texas School for the Deaf Vocational Award Fund, in care of Wilke-Clay-Fish Funeral Home, 2620 S. Congress Ave., 78704.

His wife's address is Jeanne Kalina, 1521-A Westover Rd., Austin, Texas 78703-1911.

Comments from others:

John Mills, Secretary of Austin Bass Club of the Deaf:

It is with deep sadness that I inform you that James Kalina passed away this morning as a result of a serious motorcycle accident. It happened on way to work and he was killed instantly and did not suffer.

Carlos Holdridge, vice president of NBAD:

James Kalina was our secretary for TBCD a long time and he was once involved as host committee at Livingston Lake back under the chairmanship of Denzil Fewell in 1981. He was once my secretary when I was president. He was very much involved in NBAD back in 1981.

James Kalina did fish in the 1981 and the 1990 NBAD tournaments, both held at Texas.

JR NBAD TOURNAMENT

One of the highlights of our annual tournament is the Junior Tournament. It is always fun to watch the children fish. This year we had bad weather on Monday, so the tournament was postponed until Tuesday.

This year's chairperson was Traci Ketchum who was assisted by Nola Roberts. They did a fine job and 40 children turned out for this contest.

We have three groups for prizes, the 2-5 years olds, called the Peewee group, the 6-11 year olds, called the Pre-teens, and the 12-17 year olds, which is the teens group. We had 10 contestants in the Peewee group, 21 contestants in the Pre-teens group, and 9 contestants in the Teens group.

The winners in the Peewee group were:

1st Place: Augusta Seremeth, MD 2nd Place: Heather Turner, GA 3rd Place: Derek Thrailkill, TN

Other contestants in this group were: Brooke Harper, Chaz Seremeth, Maggie Hall, Chase Calhoun, Dax Courtright, Cameron Schmeckenbucher, and Brandi Miller.

The winners in the Pre-Teens group were:

1st Place: Keriann Ketchum, AR 2nd Place: Daniel Thrailkill, TN 3rd Place: Shala Ketchum, AR

Other contestants in this group were: Charlie Wilbanks, Brett Schultz, Corey McMillian, Carl Hall, Jamie Hall, Brandon Gornto, Randy Drew, Dusty Calhoun, Dahon Amici, Harvey Toebbe, Barry Harris, Joey Dickinson, Harvey Eads, Andy Andurejko, Christopher Awad, Timothy Bundrick, Alisa Bundrick, and Noel King.

The winners in the Teens group were:

1st Place: Erik Peaross, LA 2nd Place: Matt Tucker, AR 3rd Place: Ronny Ketchum, AR

Other contestants in this group were: Brandon Pawlak, Lisa Drew, Timothy Ackers, Travis Ackers, Heather Lemair, and Fallon Fredrick.

NBAQ History Data 1976-1999

These history pages were included so that we can be ready for our history update after the 25th tournament. Some information is missing, some may be in error. Some information was hard to determine (like when Jr and Sr names were involved and then maybe one year only one of them fished, but the records were not clear if it was the Jr or Sr at that tournament. Also various spellings and nicknames were used, so not sure maybe have some listed as two people and should be only one person.

Please go over these records carefully. If you find what you think are errors, then we will go through the original files and see if that is or not an error. I really appreciate your help with this. Otherwise all records will stay as recorded. So like during a marriage ceremony, if anyone has anything to say why this marriage should not take place (why our records should not be changed) then forever hold your peace!!!!!

Thanks, Elen.

Tacklebox History

The first issue of Tacklebox was published in 1978, two years after NBAD tournaments started. There was one issue published yearly until 1990 when we begin publishing two issues per year.

The first two years of publication was done by Fred Murphy. Since then several people have been involved in getting the news out and recording our data for historical purposes. Those who have served as Publicity Directors besides Fred are: Medford Magill, Norman Walker, Thomas Eades, Frank Osborne, Clarence Cox, Martin Miller, Joseph Broz, Wesley Parsons, Elen Zook, Bambi St. Romain, and Wayne Mnich.

The previous issues have variety of layouts. We have interesting stories such as this one appearing in the first issue:

Medford Magill, president of NBAD, and defending champion at the recent Table Rock tournament, failed to catch a single bass over the legal 15-inch limit. So, on his way home he decided to try his luck in Black River. As he and his niece were drifting down the river and casting towards the bank with a Zara Spook plug, he hooked two (yes, TWO) bass at the same time. One weighed one pound and the other weighed three pounds. The smaller bass was hooked by the mid-section hooks and the larger bass was hooked on the rear hooks. Medford has decided to have that lure stuffed and mounted (sic).

Another story appeared in the 1981 issue:

This funny incident is true and happened at on of the Baton Rouge Deaf Bass Angler's outings. On one cool morning there were pockets of very heavy fog which limited their visibility to almost zero. A member and his partner were casting towards the bank, they drifted into one of the heaviest fogged areas, there one of the members felt a tug on his line. Assuming that it was a bass nipping on his line, he jerked his rod up hard to set the hook and started to reel it in quickly. While retrieving the tugging line, he looked up to his rod's tip, hoping that from there he would be able to trace from what direction the tugging was coming from. Upon finding the line points skyward, he started to wonder if he caught a "flying" bass. Despite of the hard tug, he kept on

retrieving until the tugging thing dropped with a big splash near his boat. That was a big flapping barn own which looked as surprised as he was with wide eyes. Thank goodness the owl was not injured and freed itself.

We also have interesting historical data like the data for each tournament—who fished, what state they were from, how many fish caught each day and their weight recorded for each angler, who caught the lunker of the day, who come in 1st, 2nd, and 3rd each day, etc. Also we have historical data like when our local bass clubs were established. The 1981 issue listed these clubs:

Texas Bass Club of the Deaf	1966
Austin Sportsmen Club of the Deaf	1968
Dallas Bass Anglers Club of the Deaf	1968
Houston Bass Club of the Deaf	1968
Six Flags Bass Club of the Deaf (TX)	1969
Baton Rouge Deaf Bass Anglers	1973
Cenla Bass Club of the Deaf (Central LA)	1975
Louisiana Bass Club of the Deaf	1975
National Bass Association of the Deaf	1976
Western Carolina Sportsman Club of the Deaf (SC)	1976
Mobile Bass Club of the Deaf	1977
Northeast Louisiana Bass Club of the Deaf	1977
Olathe Bass Club of the Deaf	1977
Oklahoma Bass Association of the Deaf	1978
Shreveport Bass Club of the Deaf (LA)	1978
Cave Springs Bass Club of the Deaf (GA)	1980
Indiana Bass Association of the Deaf	1980
Lake Eufaula Bass Club of the Deaf (ALA)	1980
Moreland Sportsman Club of the Deaf (GA)	1980

If you would like your club added to this list, give me the year your club started and I will make a new list in the next Spring issue of the Tacklebox.

Many of the issues have funny cartoon drawings and jokes. I am not a good artist, so I don't have any cartoons. I don't want to copy other cartoons because of copyrights. But if any of you are good artists with good fishing cartoons, please send them to me so I can publish them in our newsletter. It would be interesting to see our cartoons by our own deaf anglers or fans.

So let's have YOUR input for our next TACKLEBOX issue! Thanks.
