Everything Is In It Or It Isn't Bass News

May 1, 1985

The Tenth Annual National Bass Association of the Deaf Team Tournament to be hosted by the N.B.A.D. officers is in progress and many events are scheduled for this summer's activity. The current N.B.A.D. officers are President Charles Marsh of Olathe, Kansas, Vice-President Eddie Wood of Baton Rouge, Louisiana, Secretary-Treasurer Lucius Walker of Baker, Louisiana, and Publicity Director Frank Osborne of Cave Springs, Georgia. Eddie Wood is our General Chairman for this special event who is carrying over 9 years of successful annual National tournaments.

Our (N.B.A.D.) goal for this year is to attract over one hundred fishermen or fisherwomen to compete in N.B.A.D.'S Tenth anniversary celebration at Toledo Bend, Louisiana. Bring your friends and neighbors for this history making event.

Plan your vacation with your family at Toledo Bend, Louisiana on June 11, 12, and 13, 1985. Records are not records until they are broken. Come one, come all, let's see more records be broken this summer.

N.B.A.D. officers wishes everyone, who has been to N.B.A.D. once before to plan to be there this summer. Imagine what a big crowd we can have.

Looking forward to seeing you and yours there.

Medford Magill and Ed Wood Win  
9th NBAD Team Championship

Sportsmanship and fellowship were the passwords to all NBAD anglers at the Ninth Annual National Bass Association of the Deaf Team Tournament on June 19, 20, and 21 at Kentucky Lake. Eddie Wood and Medford Magill of Louisiana won NBAD's ninth title with the total of 23 lbs. and 15 ozs. It was Eddie's first and Magill's second championship of the NBAD tournaments.

There were eighty-two anglers including three women and their families from many parts of the United States.

Indiana Bass Association of the Deaf which hosted the tournament with Jack Zook as Chairman, did a heck of a good job! A good job for planning, setting up and making sure that everyone met their needs. Jack Zook deserves our praise for breaking the old record of eighty fishermen in 1978 by adding two more to make it eighty-two.

NBAD President Charles Marsh of Olathe, Kansas, who is serving his fifth year, expressed his thoughts about the tournament. He said that besides the competition, that association made it possible for the deaf to gather together and compete. Most of us know each other even though we live hundreds of miles apart. It is a wonderful opportunity for all of us to make friends with whom we have the same interest - fishing.

Stressing that this is a real family activity, Marsh explained that most of the men brought their families to the tournament. It was a nice opportunity for hearing children of deaf parents to get together. It gives them something in common. He also said that the tournament gave the guys a chance to share fishing secrets and experiences.

Harry Trahan and Gene Amons, both of Monroe, Louisiana, are two fishermen who have never missed any of NBAD Tournaments since it was founded in 1976. Trahan has won three championships and Amons has won four. Trahan said that he kept coming back because it was fun to see people he saw only once a year and the competition was always good. Amons felt that the championship was nice but it was not what made the event worthwhile. It depended on whether the lake itself was any good.

President Marsh is expecting around one hundred fishing enthusiasts in the event's tenth anniversary which will be held at Toledo Bend, Texas next June 11, 12, 13, 1985. The headquarters will be at Frontier Parks, Hemphill, Texas.

The top fourteen place standings at the Kentucky Lake NBAD tournament were as follows:

1. E. Wood & M. Magill-23.15-LA
2. C. Collins & R. Shipley-22.12-IND
3. R. Stewart & C. Kroonce-21.2-NC
4. B. Bledsoe & A. Woodel-15.11-NC
5. R. Kruger & M. Fischer-15.6-IND-WISC
6. G. Amons & H. Trahan-14.6-LA
7. R. Poteat & R. Senter-13.13-NC
8. R. Lockaway & G. Greenwood-12.12-NC
9. R. Robilland & G. Ragsdale-10.15-LA-MISS
10. C. Holridge & B. Collins-9.8-TX
11. B. Groff & V. Bippus-8.9-IND
12. A. Crager & J. Mikus-8.2-TX
13. R. Southwell & E. Chapman-8.2-TX

Lunker of the Day winners were:

Tuesday-Roger Stewart-6.04  
 Wednesday-Carlos Holridge-4.14  
 Thursday-Cecil Kroonce-5.2

Connis Collins of Indiana won the Bassmaster of the tournament award for his heaviest stringer of bass by an individual. The Sportsmanship award was given to Jean Zook of Indiana for her devotion of time by preparing the great entertainment for fishermen's families and also all kinds of services regarding marina, motel, cabin and any other you can name that she had done.

## MAGILL AND WOOD

Bayou boys took the crown at Kentucky Lake last June 19, 20, and 21, 1984 at Benton, Kentucky. Medford Magill and Eddie Wood took the team tournament with the catch of 23 lbs. and 15 oz. Congratulations are in order for the fishermen from Louisiana. Can anyone beat them this summer in their own territory (homeplace)?

## TAR HILL BOYS

Lately, we have seen some mountain boys, competing in N.B.A.D. team tournament at Benton, Kentucky. We saw eight guys from the Tar Hill come into the tournament and all eight of them finished in the top 8 boys. What a lucky number for the mountain boys. During the tournament, they pulled in 63 lbs. 9 oz. of bass and we need to recognize these boys from the mountain. Congratulations are in order for:

R. Stewart and C. Koonce  
B. Bledsoe and A. Woodel

R. Poteat and R. Senter  
R. Lockaway and G. Greenwood

## WILL THE REAL CHAMPIONS STAND UP?

Who are the champions? In our heart, we all know Harry Trahan and Gene Amons, are the current champions of N.B.A.D. Trahan has won three championships, and Amons has won four. Both gentlemen are from Baker, Louisiana, and have not missed a single tournament since N.B.A.D. was originated. Maybe N.B.A.D. can recommend these two champions to the Bassmaster classics. Who knows maybe, they can show the hearing world, the deaf can catch bass, too. Good Luck in the next tournament, Amons and Trahan.

## N.B.A.D. RECORD STILL STANDS

Last summer, at Kentucky Lake, no one came close to breaking the N.B.A.D. lunker record, held by John Cloy of Louisiana. Remember N.B.A.D. is offering a nice reward to anyone, who can go over 7 lbs. 11 oz. The big ones are out there somewhere waiting to be caught by a true fisherman. Let's go get them.

## 11th Annual N.B.A.D. Team Tournament

The Eleventh Annual National Bass Association of the Deaf Team Tournament will be held at Bull Shoals Lake, Arkansas in 1986. The tournament will be hosted by Wisconsin Deaf Sports Club. The General Chairman is George Evans of Madison, Wisconsin. For more information, contact George Evans, 1546 Simpson St., Apt. #1, Madison, Wisconsin 53713.
